

PUNJAB WARRIORS

Punjab Warriors takes its cues from the lively army mess bars of colonial India – places where military regiments gathered to eat, drink, play cricket and settle in for the night. Our very own ‘mess’ accommodates up to 165 guests, with private areas available from 12–40 pax. Camaraderie is very much on the menu and major sporting events play live across the bar and private spaces.

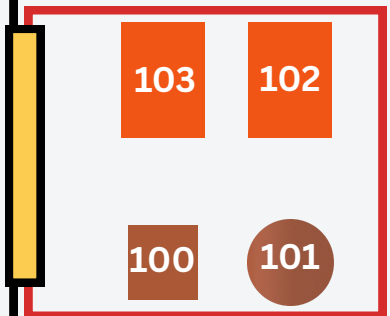

G/F, Car Po Commercial Building, 18–20 Lyndhurst Terrace, Central, Hong Kong
