4C's Hemispheric LLC., founded by US Army Retired Lieutenant Colonel Daniel E. Harris, delivers professional support services to the federal, state, and local municipalities. Our team employs over 30 years of military and civilian federal government agency experiences to provide unparalleled support services to help your programs to succeed. We leverage the 4C's of our name- creativity, credibility, competency, and communication to deliver quality products and services to all our customers, bringing each customer's vision into reality. 4C's Hemispheric has in place the visionary leadership, flat functional management structure, experienced human resources team to search, quickly find cost-efficient qualified talents to staff client's programs and projects.

WHAT WE DO

4C's Hemispheric collaborates and coordinates many dances within the realm of its CORE COMPETENCES shown below capitalizing on the 4C's of our name - creativity, credibility, competency, and communication to yield superior results. We help clients and customers address their pain points and provide valuable solutions using tailored approaches for requirements such as:

- Base Operations Support (BOS) Services
- Acquisition and Business Management Support Services
- Office Administrative Services
- Logistics and Integrated Supply Chain Management Services
- Professional and Management Development Training
- Educational Support Services
- Other Individual and Family Services (mental health and family services)
