*Welcome to Nikos Greek Kouzina*

*My name is Nikos Maglaris I am the Chef and Owner here at Nikos. After spending all of my life in the restaurant business it was always my dream to open an Authentic Greek Restaurant featuring the food that my Mother made and I was brought up with. All the recipes used at Nikos are the same my Mother and Aunts used and handed down to me from several generations. Rest assured that here at Nikos we use only the freshest ingredients and strictly imported products from Greece. Feta cheese from Tripolis (my parents' hometown) which is the Cheese capital of Greece, Olives from Kalamata, Extra Virgin Olive Oil from Sparta, and real Kasserli cheese for our saganaki. I hope you enjoy our food as much as I enjoy preparing it for you. Any special requests please feel free to ask your server and we will do the utmost possible to accommodate your requests.*

*Thank You and "Kali Oreksi" (Bon Appetite in Greek)*
