Any duplicate referrals will be handled on a case by case basis and could be subject to a shared referral fee between multiple agents at manager's discretion. All referrals will expire after 60 days unless a face to face meeting is held between the referred agent and a member of management within the first 60 days. Each face to face meeting extends this agreement an additional 90 days. This registration becomes null/void if the referring agent leaves CBSCA.

****Please see 2022 Recruiting Cash Bonus Program for complete details.***

****When emailing the onboarding paperwork for a referral, manager should include a copy of this form and the referral's production report from Broker Metrics or a copy of their 1099, as applicable.**
