## Soumitra Agarwal Joins NGS Global and Opens Mumbai Office

**San Francisco, CA, June 2, 2016** – NGS Global announced today that Soumitra Agarwal has joined the firm as Managing Partner and will be based in the Mumbai, India area. As an executive search professional with years of experience, he has successfully conducted a number of C-level and senior leadership search assignments for large, mid-sized and emerging enterprises across a variety of industries. He is also a member of the firm's advanced technology, industrial, consumer, professional services, and financial services practice groups.

In addition to his background in executive search, Mr. Agarwal also has experience as an executive in operations, which leads to his unique ability to properly vet candidates ensuring that they are a cultural fit with organizations.

In the past, Mr. Agarwal has spoken on gender diversity and was a panelist for the discussion "Road to Executive Leadership for Women Leaders" at the Grace Hopper Conference in Bangalore in 2012.

"As the third largest economy in the world by purchasing power, India is a great place to continue our expansion," said David Nosal, Chairman and Managing Partner, NGS Global. "And we're excited to have someone with Soumitra's diverse background there leading the charge for NGS Global."

### About NGS Global

With offices across the Americas, Europe, Asia and Africa, NGS Global provides the extensive resources of major global executive search firms along with high-touch service, accelerated completion cycles and superior candidate access made possible by a mid-sized platform without external shareholders. Through our commitment to industry expertise, cultural knowledge, and partner-led search execution, we deliver exceptional value to our clients.
