I understand that this is an application for adoption, and that Orr Farm Rescue & Sanctuary reserves the right to approve or decline this application based on the needs and personality of the animal.	

<p>I also understand that some animals (dogs) have special needs, and those that require the need of a secure fenced-in yard may become a consideration in approving an adoption.</p>	
<p>We operate solely on donations and the kindness of those that love animals. All our animals are spayed/neutered/castrated and have received full vet care before adoption. We kindly ask for a minimum adoption of \$100/dog, \$175/goat, and \$1000/horse to defray costs. Thank you.</p>	

We appreciate your interest and look forward to meeting you soon!
