Gujarati Dharamshala People who are doing the noble work of feeding needy people. It was my first visit to a dharamshala and it has really given me an experience of a lifetime. Seeing the needy people having food there, I felt hearttouching. I cannot even imagine my life without proper food. I contributed a small amount to feed people as part of Exponential Career Campus CSR activity. I really feel so blessed and fortunate to get this opportunity.

<u>Arrangement of food for children of</u>

<u>desire society orphanage mumbai</u>

On 28 Sep 2019, I got the opportunity to visit the <u>DESIRE SOCIETY</u>

Orphanage for girls in Goregaon, Mumbai

As we entered their mini world, they welcomed us with their pleasing faces looking forward to spend a good time with new friends.

Their amicable nature touched us deeply.

It was my first visit to an orphanage and it has really given me an experience of a lifetime.

Seeing the children over there, I felt sad at first, because they were living without parents, which was really heart-touching. I cannot imagine my life without parents but I had a live example in front of me, which affected me the most. I really feel so blessed and fortunate to have them.

Exponential Career Campus is really feeling blessed & joyful after helping to the childrens of <u>DESIRE SOCIETY</u> Orphanage as part of CSR activity.
