We encourage our users to be aware when they leave our site and to read the privacy statements of any other site that collects personally identifiable information.

## **Security of your Personal Information**

GoStreamIT LLC secures your personal information from unauthorized access, use or disclosure. GoStreamIT LLC uses the following methods for this purpose.

- SSL Protocol

When personal information (such as a credit card number) is transmitted to other websites, it is protected through the use of encryption, such as Secure Sockets Layer (SSL) protocol.

We strive to take appropriate security measures to protect against unauthorized access to or alteration of your personal information. Unfortunately, no data transmission over the Internet or any other wireless network can be guaranteed to be 100% secure. As a result, while we strive to protect your personal information, you acknowledge that (a) there are security and privacy limitations inherent to the Internet which are beyond our control; and (b) security, integrity, and privacy of any and all information and data exchanged between you and us through this Site cannot be guaranteed.

## **Right to Deletion**

Subject to certain exceptions set out below, on receipt of a verifiable request from you, we will:

- Delete your personal information from our records; and
- Direct any service providers to delete your personal information from their records.

Please note that we may not be able to comply with requests to delete your personal information if it is necessary to:

- Complete the transaction for which the personal information was collected, fulfill the terms of a written warranty or product recall conducted in accordance with federal law, provide a good or service requested by you, or reasonably anticipated within the context of our ongoing business relationship with you, or otherwise perform a contract between you and us.
- Detect security incidents, protect against malicious, deceptive, fraudulent, or illegal activity; or prosecute those responsible for that activity.
- Debug to identify and repair errors that impair existing intended functionality.
- Exercise free speech, ensure the right of another consumer to exercise his or her right of free speech, or exercise another right provided by law.

- Comply with the California Electronics Communications Privacy Act.
- Engage in public or peer-reviewed scientific, historical, or statistical research in the public interest that adheres to all other applicable ethics and privacy laws, when our deletion of the information is likely to render impossible or seriously impair the achievement of such research, provided we have obtained your informed consent.
- Enable solely internal uses that are reasonably aligned with your expectations based on your relationship with us.
- Comply with an existing legal obligation
- Otherwise use your personal information, internally; in a lawful manner that is compatible with the context in which you provided the information.
