Welcome to Averting CAT-astrophe, inc! We are a 501c3 non-profit cat rescue group. We are so happy that you chose to adopt from us. We adopt our cats and kittens to indoor only homes for their health and safety. The following information is requested so that your adoption counselors can assist you in the selection of a new pet. The animal's welfare is our utmost consideration. The consultation process is designed to help us determine if the adoption is in the animal's best interest, and to assist you in finding an animal most compatible with your lifestyle.

You can submit this form in several different ways:

1. Fill out the word version electronically and email it directly to us at Acatsrescue@gmail.com (recommended method).

Our adoption fee includes spay/neuter, first series of vaccinations, leukemia/feline aids testing, deworming upon intake, and flea prevention.

The animals available for adoption came to us from a variety of sources. All animals are examined upon entry and their health is routinely monitored while in our care, there is always a small chance that an animal is incubating an illness.

Our fee schedule is as follows:

\$100 for kittens and cats up to 8 years of age.

\$75 for cats that are 9 years or older and special needs adults.

\$175 for double adoptions.

\$250 Triple adoptions.
