1. INTRODUCTION: This investment policy applies to all financial assets of Union County including the General Funds, Special Revenue Funds, Capital Projects Funds, Enterprise Funds, and Agency Funds:

This resolution establishes policy for the prudent investment of Union County's Funds, and to maximize the efficiency of the County's cash management system. The goal of this policy is to protect public funds and to invest County funds in a manner that insures the safety of the investment, that provides for adequate liquidity, and that maximizes investment income after providing for safety and liquidity.

2. DELEGATION OF AUTHORITY: The County Treasurer, by and with the advice and consent of the County Board of Finance, has ultimate authority over the investment of public funds as outlined in this policy and is, hereby, designated Investment Officer. The Investment Officer shall be responsible for all investment transactions and shall maintain the system of controls outlined in this policy to regulate investment activities. The County Board of Finance may designate any other administrative county official to act as representative or liaison between the County Treasurer and the Board.

3. PRUDENT MAN RULE: Prudence to be applied by the Investment Officer shall be in accordance with NMSA 1978 Section 6-8-10, which states: "Investments... shall be made with the exercise of that degree of judgment and care, under circumstances then prevailing, which men of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital as well as the probable income to be derived."

4. ETHICS AND CONFLICT OF INTEREST: Investment officials shall refrain from personal business activity that could conflict with proper execution of the investment program, or which could affect or impair their ability to make impartial investment decisions.

5. INTERNAL CONTROLS: The County Treasurer as the Investment Officer shall document and maintain the system of internal controls. deposits with banks and savings and loan associations within the geographical boundaries of the County. All funds available for investment with local banks and savings and loan associations must be equitably distributed according to the net worth of each institution in accordance with NMSA 1978 Section 6-10-9. If any bank or savings and loan association within the geographical boundaries of the County declines to accept any part of their pro-rata share of County funds, a written notice of such shall be obtained by the Investment Officer.
