

### Voting Device Preparation

In Compliance with NMSA 1978, 1-11-5 through 1-11-10, the Union County Clerk's office will officially begin to prepare, inspect, test, certify, and seal all voting systems/tabulators to be utilized in the upcoming 2024 General Election to be held on Tuesday, November 5, 2024. The official inspection, testing, and certification of the Dominion ImageCast Evolution (ICE) voting systems used for this election will take place as follows:

- Monday, September 30, 2024 at 9:00 a.m. until completion.

You or your designated representatives are welcome to attend. The certification will occur at the Union County Election Portable at 200 Court St, Clayton, New Mexico 88415

Done this 26<sup>th</sup> day of September, 2024

Devian Fields, Union County Clerk
