Click "Close". The registration code will be sent in the via email. So you can close this pop-up.

The screenshot shows a web application interface for AIRWARE. A modal window titled "Registration Code" is open, displaying the registration code "RuID-S4lcg_Y" and a "Copy" button. Below the code, it says "Use this code to register your device named Testing". A red circle highlights the "Close" button in the bottom right corner of the modal. In the background, a table lists registered devices with columns for Device Model Name, Device UID, Device Status, Registration Code, Registration Status, Registered By, Registered At, IP Address, Last Seen, and Options.

15 Then the main Digital Airware App page will appear.

The screenshot shows the main dashboard of the Digital Airware App. At the top, it says "Demo" and "Welcome back, Manual, User Administrator". The date and time are "Monday August 3 2026 21:24:42". There is a "DARK" theme toggle and a "Duty Time In / Out" indicator. Below this is a grid of 14 icons for various functions: DFL, Forms, MX Status, Pilot Log Book, Discrepancies, Core Log, MEL, Parts Request, Work Orders, Flight Ops & Documents, Flight & Duty Logs, Operational Expenses, Scheduler, Risk Assessment, and Help Desk. Below the grid is an "Account Activity Overview" section with six cards showing: Flight Yesterday (0), Hours Flown (0.0), Discrepancy (0), Staff / Supervisee (0), Base OOS (0), and Flight Ops Required (0). To the left is an "Upcoming Schedule" section showing "No Upcoming Schedule". To the right is a "Recent Discrepancies" table with columns: Date, Aircraft/Equipment, Status, and W. The table lists four discrepancies for aircraft N43845M. Below the schedule is a "Currency Status" section showing "No Currency Status".

Date	Aircraft/Equipment	Status	W
07/23/2019	N43845M	TAIL LIGHT IN-OP

16 Double check in Digital Airware website for the status and to ensure you have connected the correct device.

The screenshot shows the "Device Registration" page on the Digital Airware website. The header includes the DAW logo, user information "Demo User: Howlett, Emily", the date "Monday August 3 2026 15:07:52", and the "DIGITAL AIRWARE" logo. A navigation bar contains links: Home, Forms, Equipment, Users & Contacts, Maintenance, Operations, Safety, Training, Administrative, Links, DAW AI, Help, and Howlett, Emily. The main section is titled "Device Registration" and includes an "Add New Device" button. Below this are three dropdown menus for "Device Status", "Registration Status", and "Device Type", along with a "Search Device Information" button. A table displays a list of devices with columns: Device Alias Name, Device Model Name, Device UID, Device Status, Registration Code, Registration Status, Registered By, Registered At, IP Address, Last Seen, and Options. The table shows 8 entries, including "Testing" (iPad Pro 12-inch 3), "Emily iPhone" (iPhone 15 Pro), "Laura's iPhone" (iPhone 11 Pro), "Demo AC", "Ujjal's iPhone", "DAW iPad 1", and "Demo User2". The "Total: 8" is shown at the bottom left of the table.
