About Us

For over 1 year, we have been providing quality CBD and CBD Derived dog products in the Texas area. We love caring and connecting with animals and creating everlasting relationships. We provide products for your fur babies as if they were our own, and ensure that they receive the highest quality products made with all natural and minimal ingredients.

FAQ

• What is CBD?

CBD (Cannabidiol) is **a naturally occurring cannabinoid derived from hemp that does not contain THC, and thus is not psychoactive**. It has long been reputed to possess anti-inflammatory and analgesic qualities.

• Are CBD and CBD Derived products legal?

Yes, **CBD is federally legal**. In 2018, the **Agriculture Improvement Act of 2018** (aka the **Farm Bill**) legalized CBD derived from hemp containing **no more than 0.3% THC** (by dry weight).

• Does CBD get my Dog "High"?

No. CBD legally has **only trace amounts of 0.3% or less THC in its full spectrum formula, without any of the psychoactive effects of marijuana**. Meanwhile, simple CBD, broad spectrum CBD and CBD isolates **contain no traces of THC**.
