

Scopetone
AZ. AGR. LA MELINA
MONTALCINO

This historic estate overlooking the walled city of Montalcino, after years of neglect, has come roaring back to life under the guidance of Loredana Tanganelli and Antonio Brandi, who have taken their passion for producing elegant, traditionally crafted wines and turned it into a beautiful story of revival for Podere Scopetone. With the help of consulting winemaker Maurizio Castelli, this certified organic winery has reclaimed its reputation for excellence, becoming "...one of Montalcino's most underrated producers," - Ian d'Agata, Vinous. Podere Scopetone's 2017 Brunello di Montalcino bursts with intense berry and plum aromas, spicy notes of licorice, tobacco and leather, finishing long and silky.
