

Bruno and Danilo Nada, the father-son duo at the helm of Nada Fiorenzo, persist in crafting a remarkable array of wines in Barbaresco. As fourth generation winemakers, Nada Fiorenzo is revered as a touchstone for quality and consistency in the region. Nestled atop the esteemed Rombone vineyard, the estate's wines embody the distinct terroir of their vineyards, employing manual techniques and a minimal ecological footprint. From hand harvesting to individual plot cultivation, combined with biodynamic methods and natural soil enrichment, the wines crafted at Nada Fiorenzo represent quintessential expressions of classically crafted Nebbiolo.
