2020 Borgo Paglianetto Verdicchio di Matelica 'Petrara' DOC

Dusty yellow florals mix with nuances of sweet spice, crushed apples and pears as the remarkably pretty 2020 Verdicchio di Matelica Petrara slowly comes to life in the glass. It's lifted and delicate in feel with zesty green citrus and brisk acidity that creates a reverberation of tension toward the close. Depths of salty minerality blended with sour melon lingers incredibly long through the almost teeth-chattering finale. The 2020 Petrara is gorgeous, but it will require a shotr stay in your cellar to show its best. - Eric Guido
