

Located in a picturesque valley in the heart of Marche, Borgo Paglianello's focus on quality and tradition is paramount, producing wines of exceptional structure and balance that capture the unique terroir of the region. With a commitment to organic practices permeating all aspects of their winemaking process, Borgo Paglianello's philosophy lies in the belief that every wine is here to tell a story of place. The 2021 Terravignata Verdicchio di Matelica is a fresh, balanced, fruit-driven wine with delicate salinity and minerality lending a cleansing contrast to vibrant notes of green apple, lemon, and peach.
