

2021 Santa Sofia Soave Classico 'Montefoscarino'

A light straw color, with fascinating silvery-green hues, it offers a fresh nose with the fruitiness of white peach and orange zest, vegetable hints of lemon balm and star anise, and flower notes. The palate is subtle and delicate, with a delightful acidic freshness, moderate alcohol and strong minerality; enjoyable and juicy, it has a long, clean finish, coherent with the notes perceived by the nose.
