# 2021 Tenuta Terraviva Pecorino d'Abruzzo DOC

An enticing mix of lemon oils, sour melon, and fresh ginger wafts up from the 2021 Pecorino. It's soft-textured, contrasted by a buzzing of acid-and-mineral driven tension, along with a sweet and sour interplay of orchard fruits. This finishes spicy with an almost black-pepper pungency, yet also fresh, as hints of sour lime slowly fade. The 2021 is an incredibly fun yet characterful Pecoino. - Eric Guido
