

# THE EMPTY TOMB

The background of the entire image is a teal gradient. It is decorated with various colorful geometric shapes, including circles, ovals, and elongated rounded rectangles. The colors used for these shapes include purple, blue, green, orange, and pink. Some shapes are solid, while others have a slight transparency or gradient effect.

The Valley of Hinnom—a valley south of Jerusalem's Old City—also known as Gehenna.

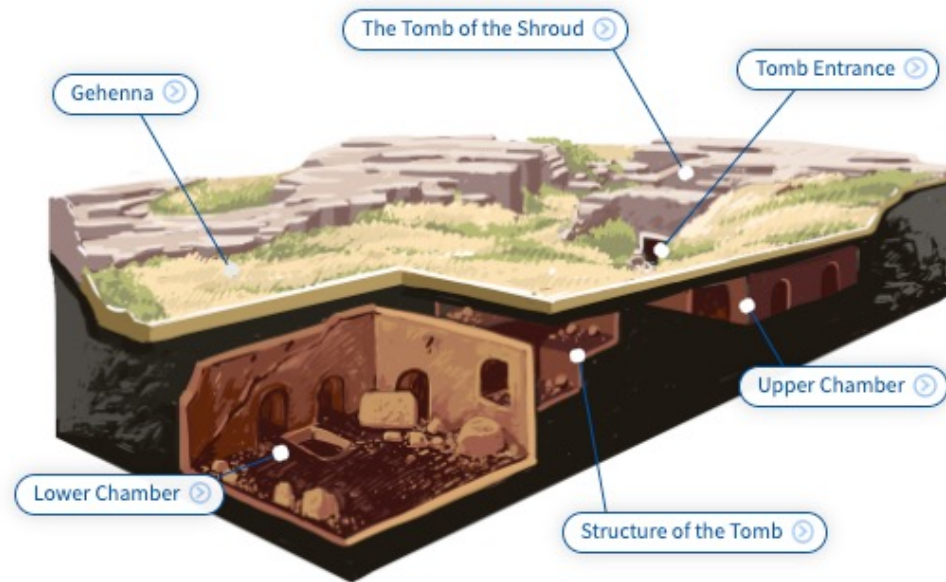

# An Empty Tomb

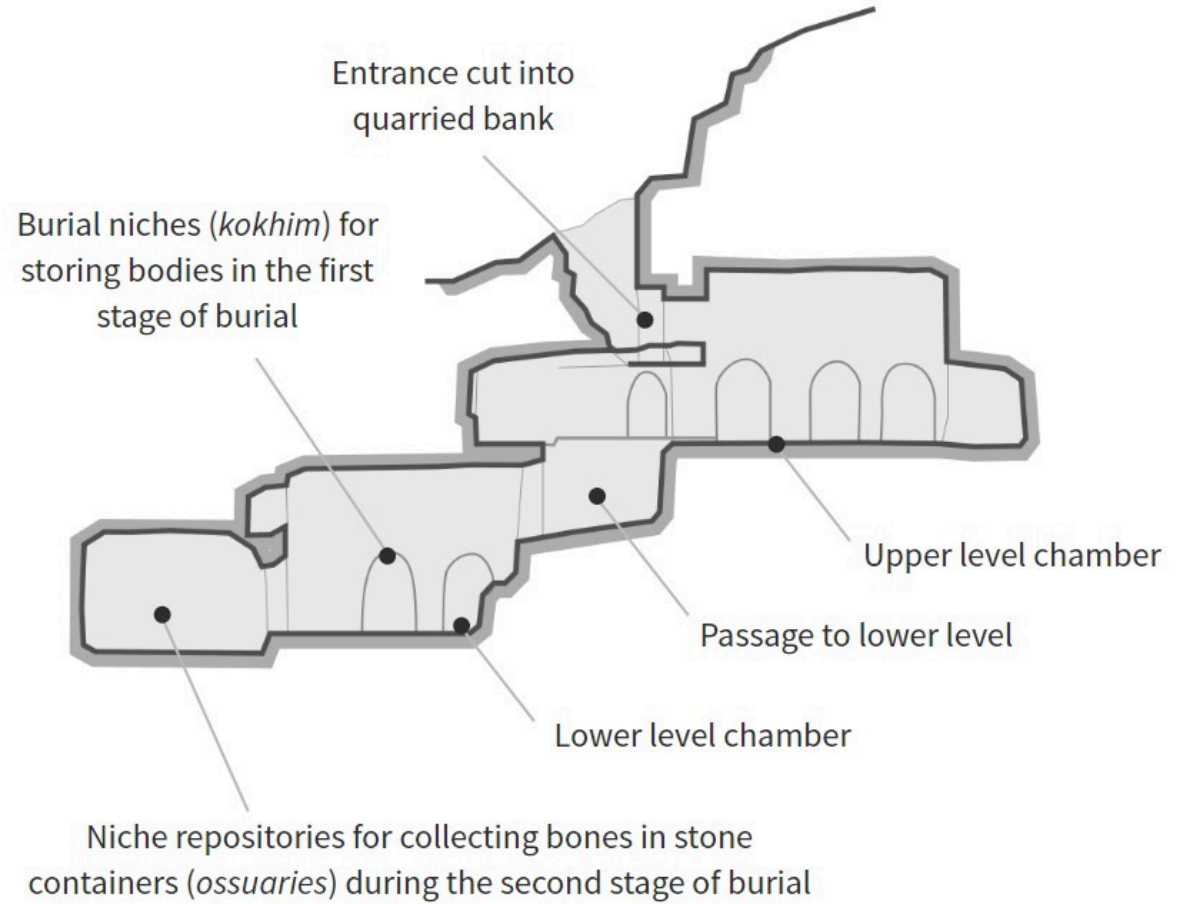

A DEVOTIONAL EXPLORATION

*The Tomb of the Shroud is a first century Jewish tomb near Jerusalem. It provides a unique opportunity to examine and reflect on Christ's very real death.*

TOMB OF THE SHROUD, JERUSALEM

# THE TOMB

# OUTSIDE THE TOMB

ENTRANCE

A photograph of an ancient underground chamber, likely a tomb or a hidden passage. The walls are made of rough, light-colored stone or plaster. There are several arched openings or niches. In the center, a large, rectangular stone block is placed on the floor, partially blocking one of the openings. The floor is uneven and covered with dirt and small stones. The lighting is dim, creating a sense of mystery and antiquity.
