If I am a new student, do I have to wait until I am in the United States to purchase the insurance from the college-approved provider?	No, you do not have to have arrived in the U.S. to purchase the insurance. However, you should wait until after you have received your visa/Change of Status decision and know the address in the U.S. where you will be staying before doing so. We encourage you to satisfy this requirement as soon as possible before arrival on campus to avoid registration delays.

What happens if I do not satisfy the insurance requirement?	If you do not satisfy the insurance requirement for a particular semester, you will not be allowed to register for classes for that semester. Failure to enroll in classes may lead to a loss of F-1 status.
Who can I contact with questions?	The International Student Advisor/DSO at the campus where your immigration record is located.
