

Journey Report

This section will show you how to generate a report on your driver's journey, it will show you information regarding, journey start/end, speed and mileage as well as idling time.

1. Log in to your tracking portal.

2. In the options menu on the right click on Reports > Journey.

 \bigcirc

2

3. Select your vehicle from your list on the left and in the option box choose the date range and format you want the report in.

4. In the page that opens you will see all journeys for your specific date range. To generate more detailed information click on one of the journeys.
