Hello to all PFDAA members,

Elections will be held in conjunction with the Opoczno workshop in Atlanta in September/October. I am reaching out to all directors, dancers, ensemble Board Members to consider running for a position on the Board. The PFDAA will only continue to be as active as the membership is. Please make sure your groups dues are paid and the nominee is reflected as a delegate to the PFDAA board. Those who can't attend the elections in person will have the opportunity to electronically submit their votes.

We will be sending out election notices and information in the upcoming weeks. We will have one more PFDAA Board meeting prior to elections if anyone wishes to attend via the internet to learn a bit more about the duties.

We welcome "Mazury" who is kindly hosting this workshop to the PFDAA family! Job transfers of dance instructors and directors seem to create opportunities for new groups to be formed in areas with Polonia are located and where no dance groups existed previously. It is great to see new groups bring their talent to the PFDAA.

It hasn't been easy for any of our groups since COVID appeared on the scene. Many groups are still struggling to rebuild.

We are thankful that the Rzeszow Festival was postponed until next year. The realization that the number of ensembles who couldn't meet the requirements to be able to participate, the war continuing in the Ukraine and the fact that the Festival was shortened by several days at an increased cost seemed to make the most sense to postpone it for a year. This will give groups the ability to recruit members as well as raise finances if they intend to attend the event next year.

Taking into consideration that groups still may not be at the level they need to be for Rzeszow, the PFDAА is considering a PFDAА concert tour of Poland next year. Further details forthcoming.

It was nice to be back at the Milwaukee Polish Fest for the first time since COVID. Although the PFDAА contingent of groups was smaller than usual, the groups managed to put on a fantastic concert show. Many friendships were rekindled, and new ones made as Syrena and their crew organized after festival events for those out of town groups that participated.

It has been my pleasure and honor to serve as your president for the past two terms. I also would like to thank those Board Members who served with me for their support, knowledge and passion to the organization.

Edward J Rajtar,
President, PFDAА
