<p>Is FreeD.O.M. Clinic really free?</p> <p>Yes! ALL services are free for low income, uninsured, and underinsured Marion County residents.</p>	<p>Do we schedule appointments?</p> <p>We do not schedule appointments for monthly clinics. We operate on a first come, first served basis until capacity is reached.</p>	<p>What time should you arrive at a clinic?</p> <p>We recently started handing out numbers at 8 p.m. the night before the clinic, and we usually give out all the numbers within a short time.</p>	<p>How long will you wait at our clinics?</p> <p>Prepare to spend ALL DAY with us. Bring healthy snacks, take your medication and don't smoke the day of your treatment.</p>	<p>How many teeth can be extracted or filled?</p> <p>Our policy is one tooth per visit and one procedure (filling, extraction, or cleaning).</p>
<p>Do we offer root canals and/or crowns?</p> <p>Due to the high volume of patients at every clinic, we offer a choice between a cleaning, filling, or an extraction.</p>	<p>Can we extract wisdom teeth?</p> <p>It's been done in the past, but only the dentist on site can determine what procedures can be performed.</p>	<p>Can you see the dentist and the optometrist at the same clinic?</p> <p>IF we are offering both services, due to the high volume of patients, you must choose one.</p>	<p>What about glasses?</p> <p>Reading glasses are provided on site immediately. Prescription glasses arrive in 6 to 8 weeks. We provide single lens glasses and lined bifocals.</p>	<p>Which immunizations are typically offered?</p> <p>The Department of Health usually offers TDAP, Meningitis, Pneumonia, and Flu.</p>
