Bright Blocks Afterschool After Care Policies

At Bright Blocks Afterschool (BBA), we strive to create a safe, positive, and engaging environment during After Care hours. To ensure the best experience for all students, families are asked to review and follow these policies:

Supervision and Safety

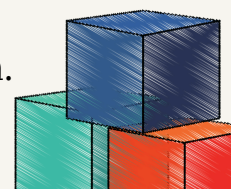

- Students must remain with staff during all After Care hours.
- No student is permitted to leave the premises without being signed out by an authorized adult.
- All After Care staff are background-checked and trained in supervision and emergency procedures.

Attendance

- Students must be signed in to After Care by BBA staff at dismissal.
- Parents/guardians must notify staff in advance if a student will not attend After Care on a scheduled day.

Pickup and Late Policy

- After Care ends promptly at 5:00 PM (unless otherwise noted based on school hours).
- A 15-minute grace period (until 5:15 PM) will be provided.
- After 5:15 PM, a \$15 late pickup fee may be charged to cover staff time.
- Chronic late pickups may result in removal from the After Care program.
