

Terrestrial Ecosystem

Temperate Deciduous Forest

Predict what each organism below will eat. Make several food chains and combine them into a food web.

Remember the Rules of Food Chains/Webs.

 Fern	 Frog	 Raccoon
 Mushroom	 Snake	 Fox
 Grass	 Mouse	 Squirrel
 Clover	 Rabbit	 Bacteria
 Oak tree	 Woodpecker	 Deer

Terrestrial Ecosystem

Desert

Predict what each organism below will eat. Make several food chains and combine them into a food web.

Remember the Rules of Food Chains/Webs.

 Desert Mallow	 Coyote	 Mojave Rattlesnake
 Prickly Pear Cactus	 Desert Tortoise	 Squirrel
 Saguaro Cactus	 Big Horn Sheep	 Woodpecker
 Bacteria	 Kangaroo Rat	 Roadrunner
 Yucca 'Garlands Gold'	 Quail	 Jack Rabbit

Terrestrial Ecosystem

Tropical Rain Forest

Predict what each organism below will eat. Make several food chains and combine them into a food web.

Remember the Rules of Food Chains/Webs.

 Orchid	 Lizard	 Poison dart frog
 Banana tree	 Butterfly	 Fish
 Mangrove tree	 Alligator	 Spider monkey
 Mushrooms	 Ant	 Parrot
 Fern	 Grub	 Jaguar

Terrestrial Ecosystem

Tundra

Predict what each organism below will eat. Make several food chains and combine them into a food web.

Remember the Rules of Food Chains/Webs.

 lichen	 ptarmigan	 Snowy owl
 arctic willow	 arctic greyling	 Bighorn sheep
 arctic poppy	 arctic fox	 Caribou
 mushroom	 arctic hare	 seal
 mosses	 arctic tern	 polar bear
