To Whom It May Concern:

Please accept this letter as evidence of my support for the Fae Gallery and the FAe Foundation. I and my staff have both visited your home/ gallery and needless to say we were not only impressed with your collection of great art works and antiques, but we were also in awe of your work with your adopted children. You have committed your time and resources to those that others have pushed aside and for that you should be commended.

It is my hope that you will be able to garner adequate financial support to help sustain the gallery and establish the foundation. Zachary and Deborah, you have given your lives to not only help the underprivileged children that you have taken in, but also to help promote and encourage Philadelphia's local artists. The confidence which you have instilled and are working on instilling within those that come to your door will have an everlasting positive effect on each and every life that you have touched.

Once again my office supports your cause and this letter shall serve as proof of that support. If you have any questions please feel free to contact Bob Theil my office at 215-952-3121. Thank you for consideration.

Sincerely,

A handwritten signature in cursive script, appearing to read "Larry Farnese".
