If the club is aware of a positive COVID-19 case:

- **Any participant with a positive case will only be allowed to return following a negative result or a medical release.**
- **Those participants in close contact with the positive case will be notified and will quarantine for 14 days before returning.**
- **Confidentially will be maintained**

Parents should:

- **Monitor the health of their children and not send them to participate in sporting activities if they exhibit any symptom of COVID-19.**
- **Protect any vulnerable persons who are members of the same household or come into frequent, close contact with individuals who participate in youth sports**
- **Seek COVID-19 testing promptly and report results to Klein Soccer Club given the implications for other children, families, and staff. Individuals aged 65 or older are at a higher risk of COVID-19.**

Coaches should:

- **Monitor themselves and players for symptoms of COVID-19 during training and game activities.**
- **Safely isolate the player showing COVID-19 symptoms on the premises until an adult responsible for the minor can take them home.**
- **Remove themselves immediately from practice or games if they exhibit any COVID-19 symptoms. Follow quarantine guidelines, seek COVID-19 testing promptly and report results to the club.**
