

The Tubac transfer station is open once again for recycling. This is a pilot program, that will be expanded if the contamination can be controlled.

It is extremely important to recycle responsibly, please do not put anything other than the correctly sorted recycling in the bins. When a load is contaminated it goes to the landfill.

Call Santa Cruz County 520-761-7892 with questions.

For hours of operation check :- <https://www.santacruzcountyaz.gov/facilities/facility/details/Tubac-Transfer-Station-4>

Saturday, Sunday & Monday 8am to 4pm closed for lunch 12 - 1pm

Please see following pages on how to recycle materials that are currently accepted.

Thank you for recycling responsibly.

Rio Rico Landfill is in Tubac, Arizona. \*\*\*  
5d · 🌐
