

2021 ANNUAL REPORT

FROM THE DESK OF THE FOUNDER

One Child at a Time's Mission

Our Mission is to eliminate modern slavery one person at a time. We work to prevent human trafficking through education, rescue trafficked individuals through intervention, and restore human dignity through affirmation.

Greetings Dear Family, Friends, and Supporters,

We have had an amazing four years of preventing Human Trafficking in our community through education! It's hard to believe that in 4 year we have educated over 14,000 children in the Pee Dee region! We have had the honor, privilege and given the right to educate in Schools, Churches, Civic organizations, and hospitals, throughout our community this year! I am so proud to call our community my home. The amount of support that this organization has been given is overwhelming. Human Trafficking has been in the dark for so long that only by acknowledging it, confirming that it exists has brought it to light. And this has been done by YOU!

“When The Community Get's Involved Trafficking Is Reduced!”

I have often been asked “why I do this?” My answer is and will always be, to prevent children from this horrific crime and in obedience to His calling. You see God started speaking into my life about Human trafficking 5 years ago when He sent me to India. I got to work and share the gospel with prostitutes in the district of Navi Mumbai-based in Turbhe Red Light slum. There I was able to see victims of human trafficking living in bondage, some as young as 8 years old. This nearly broke me. I was crushed in spirit, outraged, frustrated, and angry with God for bringing me to this place of evil influence. Then, I got an epiphany that I wasn't there to save anyone but I was there to be used by God so that He could. It would be six months later I would get the opportunity to visit Phnom Penh Cambodia in the Red light district there and I learned that it is easier to prevent human trafficking through education than it is to rescue. I prayed and asked God how can I prevent just “One” child from enduring this kind of evil. January 18, 2018 “One Child at a Time” was founded. With your continued Help and support we can eradicate this evil together!

Thank you for your prayers and continued support,

YEAR IN REVIEW

Education

I am excited to announce that Southside Middle School is the first middle school to complete the Human Trafficking/Online Safety course this quarter. Michelle Hayes, a health teacher at Southside Middle, was instrumental this past year in helping develop and now deliver this NEW curriculum and valuable information to our students! We would like to thank FSD1 for being proactive in protecting our students through education.

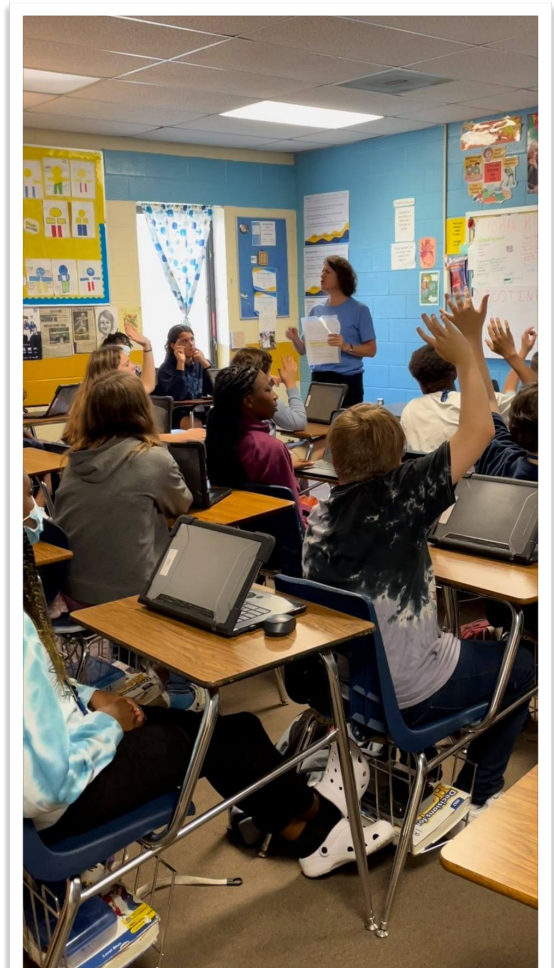

I look forward to the other Middle schools and High schools throughout the Pee Dee Region. Together we can eradicate this evil and keep our children safe....One Child At A Time.

We have educated over 5,000 students in the following schools:

1. Sneed Middle School
2. Southside Middle School
3. Williams Middle School
4. Southside High
5. West Florece High
6. Wilson High
7. Alfred Rush Academy

“It is easier to educate our children than it is to rescue them.”

Michelle Hayes a Health Teacher at Southside Middle School is the Co-Trainer for Human Trafficking Awareness curriculum and Online Safety for grades 6-12 in Florence District 1. She was the first teacher to educate our curriculum.

YEAR IN REVIEW

Community Outreach

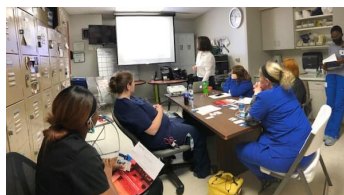

One Child at a Time has been given the opportunity to speak about local human trafficking and how it is affecting our community to many civic organizations this year.

Partnerships with Places of Worship

One Child at a Time has been invited to speak to our leaders in many of our Places of Worship about how to look out for the youth in their communities. [Psalms 9:9](#), [74:21](#), [82:3](#)

One Child at a Time has been invited to present at:

1. Elim Baptist Church in Effingham
2. Trinity Evangelical Presbyterian Church

YEAR IN REVIEW

One Child at a Time Yearly Projects

One Child at a Time has been blessed to create and work on many projects with the intention of bettering the community and protecting our children.

Rehab's Risk

Rehab's Risk is a community project started by One Child at a Time in which women and young girls in need are provided with basic supplies they may not have access to. These supplies include: toothbrushes, toothpaste, deodorant, feminine products, clean underwear, clean water, food. These supply packages also contain educational material about human trafficking and how to get help. These packages are made possible through donations. These packages are distributed to local sex workers,

organizations like Pee Dee Coalition, House of Hope, The Palmetto Center, and The Florence County Sheriff's Department in order to get in the hands of women who need it the most.

“When the Community Gets involved, Trafficking Is Reduced”

One Child At A Time partnered with the Florence Center and they helped us to remind our children in the community that you can have fun without devices!

Our Media Partners

We are so thankful for Community Broadcasters and 2nd Floor Media for helping us to bring awareness and education to our community. Shinning light on this darkness is the only way to eradicate this evil from our community.

PARTNERSHIP IN INDIA

We are excited to announce that our partners Pastor Manoj, his wife Priya and all the dear children of Rays Of Hope are all doing well. Priya has been battling Colon Cancer and has been healed! We are so thankful for this miracle as she continues to help serve in their ministry by sheading light into the darkness of Human Trafficking. Through our Partnership we have been able to help them serve their community during this difficult time. For those of you who don't know Rays of Hope is a holistic indigenous mission that was created in 2002. They are located in Mumbai India in the Turbhe Red Light Slums. They provide care to more than 120 children daily. Their focus is on the next generation. A rescue program is being established through the development of The "City Of Hope." This is a community that will also cater to orphans, widows, destitute and terminally ill people. The City Of Hope will provide holistic development to all its residents under one roof. It is so wonderful to see God bring us full circle in His plans for our lives. We ask that you pray for both ministries as we strive together to bring Hope to the hopeless.

Trusting & Praying to the Lord,
for the fulfillment of the vision of
the "City of HOPE" ~Ps Manoj

Thank you for your incredible support of One Child at a Time in 2021!

Help us keep our community safe and partner with us in 2022!

We could not do this without your help!
