

Fill the Bus **FOOD DRIVE**

Thank you note from Bessborough Schools

Good afternoon,

I hope you are doing well. Please accept my sincere apologies for the delayed response, as I wanted to be sure to take the time to properly thank you for such an incredible and thoughtful initiative.

I was truly moved reading about what you, your family, and your neighbors organized in support of Bessborough School's Fill the Bus campaign. What you accomplished was completely unexpected and extraordinarily kind. The fact that two Grade 2 students took the lead in going door-to-door to collect donations is inspiring, and gathering 16 bags of food from your building is an outstanding contribution.

Even more meaningful is the experience this created for the children. Giving them the opportunity to see firsthand how a community comes together to support families in need is a powerful lesson in compassion, responsibility, and generosity. Please extend our heartfelt thanks to Oba, Desiré, and to all the neighbors who contributed — the notes and cards shared with the donations were especially touching.

On behalf of the entire Bessborough School community, thank you for your leadership, kindness, and for helping make this year's Fill the Bus campaign so impactful. Your efforts truly made a difference, and we are deeply grateful.

Thank you!
