

Fill the Bus **FOOD DRIVE**

Dear Neighbors,

We wanted to share some wonderful news and express our heartfelt gratitude!

Thanks to your incredible generosity, Oba and Desiré successfully collected **16 bags of non-perishable food** from our building for Bessborough School's Fill the Bus campaign. We delivered the donations on December 18th, 2025 and they will directly support families in need in our community.

A Message from Bessborough School's Principal can be read here:

The Kids' Experience:

Oba and Desiré were absolutely thrilled by your warm response! Many of you included sweet thank-you notes and Christmas cards, which meant the world to them and to us. They learned so much about compassion, community, and the joy of giving back. This experience is one they'll remember for years to come.

Our Gratitude:

Thank you for opening your doors, for your generous donations, and for showing our children what it means to be part of a caring community. Your kindness made this initiative a success and taught Oba and Desiré an invaluable lesson about the power of neighbors coming together.

With appreciation and warm wishes,
Oba (Unit 109) & Desiré (Unit 302)
