MOST COMMONLY USED FORMS

Single Trip

- Single Trips refer to one-time medical appointments, such as annual checkups and first-time visits. If you are taking a one-time trip, you need a confirmation number for reimbursement. [Download for here: English / Spanish](#)
- Members are no longer required to verify to submit the **Beyond 25-mile** form. The process for longer trips will need the same process for a single trip 2-3 days prior
- Depending on distance, you may be eligible for food and lodging reimbursement. If your member is a minor, your reimbursement will cover one member and one adult. Contact Transdev for more info

Subscription

- Subscriptions are ideal for scheduling ongoing weekly appointments with the same Provider. You and the Provider must complete the form for each week's appointment or session.
- To set this type of mileage reimbursement, have the Provider complete and submit the Standing Order form below. Download the form here: [English / Spanish](#)

Standing Order Form

- To initiate your subscription, please request your provider to fill out the Standing Order Form. This form verifies your provider's location and address. Intelliride requires this form to set up the subscription for your trips so they can verify the information and calculate the correct distance between your home and the provider's location.
- Please give this form to any healthcare providers you visit regularly. Download the form here: [Standing Order Form](#)

Single Trip Form

Call Transdev at 855-489-4999/TDD 711 or use their new [Online Chat service here](#) during business hours at least 2 hours before your appointment to receive a confirmation number. You will need this for the next step! For trips beyond 25 miles, contact Transdev at least 2 business days prior.

Download and print the Single Trip form [English/ Spanish](#) from the link on the Slope Cares website, or download and complete it electronically using a PDF editor on your mobile device.

Write your confirmation number on the form and take it to your medical appointment. Ask someone who works at the medical facility to complete the Medical Provider & Facility section of the form

Then, you complete all the Appointment, Patient, & Driver requirements. The Driver's information will be your home address, as this is the starting point of your trip to the provider's location.

If you printed the form, take a photo of the completed form, ensuring all information is visible. Then, send the picture or the electronic copy to us.ths.claims@transdev.com at the bottom of the form within 10 days after appointment

Subscription Form

You can download the subscription form here: [English / Spanish](#). Email the form to the Provider, requesting they print it and complete it with the required information by the end of your last appointment for the week.

Then, you complete all the patient and driver's requirements. The Driver's information will be your home address, as this is the starting point of your trip to the provider's location.

Take a photo of the completed form, ensuring all information is visible. Then, send the picture or the electronic copy to the email to us.coclinicalcoordinator@transdev.com

Need to Know

- You must submit a standing order form (next page) to initiate the mileage reimbursement program subscription enrollment.
- Ensure you complete the member's name, birth date, and Medicaid number.
- Please make sure to keep a copy of all forms submitted in case of risk of system failure.

Helpful Tips

- If you have more than one appointment with the same provider in a week or over a month, such as weekly therapy sessions, you can request Transdev accept submissions monthly instead of weekly.
- You can also ask the Provider to print your form by your last appointment at the end of the month.
