Rules for the New Jersey State Field Archery Association Indoor Championship

NOTE: This is the best-of-2 scores with the highest score counting, so we have shoot times over 3 days. You are not required to shoot a 2nd time, that is up to your discretion.

2. A separate registration form/fee is required for each separate division that you are shooting. For each division registered, one fee covers shooting two scores.
3. For the Pro Division, the Pro Purse is a one-time only fee and not required if shooting a 2nd time.
4. Lifetime members are exempt from registration fees for the 1st division they want to shoot. If they want to shoot a second separate division, they must pay the registration fees for that second division.
