Holly Bailey the owner has a long history in floral design having worked in several shops over 30 years, owned 2 shops, and has recently spent the last 6 years working during the summers and holidays in Aspen, Co making the dreams of millionaires and snow bunnies come true. Holly has created fresh floral designs, decorated venues, hotels, and ranches, as well as mountain mansions and rustic cabins. Let Holly and her team work with you on your ideas and designs to make your wedding or event custom created for you. Bailey Farms Barn & Venue are very detailed oriented with a very casual atmosphere and our goal is that you can say "I truly enjoyed my wedding" not "it went so fast it was over before it started".
