

What Are You *REALLY* Working on in Reversal Therapy?

John Abbondanza, OD, FCOVD
Southboro, MA

Traditional Thoughts on Reversals

- Laterality - confusion of left/right in self
- Directionality - confusion of left/right projected out into space
- For most things in the real world, it does not matter

Methods of Testing

- Piaget's Test of Left/Right Awareness
- Jordan Reversal Test
- History of b/d confusion

Remediation

- Circle line jumping
- Circle/Square on table
- Circle/Triangle on table
- Slap tap
- Directional Arrows
- SUNY Vision Training Clinical Series
- Simon Says
