Lifetime Baumanometer

Guarantee

We hereby guarantee Lifetime Baumanometer

No. 129,676, to

Dr Lewis H Kraskin - Washington, D. C.

as the Owner and User thereof, against breakage of its glass Cartridge Tube during his lifetime, subject to the following conditions and to the extent that if accidentally broken we will exchange it for a new tube without charge:

This guarantee is not transferable.

No change shall be made in the construction or assembly of the instrument except by us.

No article of any kind shall be placed in the instrument except the cuff and bulb belonging to it.

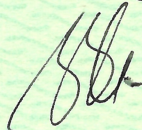

Component parts are to be replaced only with like ones of our manufacture.

The instrument shall be available to us for inspection, testing or other purposes in keeping with our interest in it under this guarantee.

If any of the above conditions are violated, or if this guarantee is abused or misused in any way, it shall thenceforth be null and void.
