PRESENTATION REGISTRATION FORM

Please complete this **Presentation Registration Form** and submit after completing your **Meeting Registration Form** no later than December 18, 2020. Presenters will be provided 30 minutes for their presentation followed by open discussion. Presenters are requested to provide a narrative - not just PowerPoint slides - of their presentation to be used in any official publication of the Symposium. A copy of the final paper presentation **must** be received no later than January 8, 2021.

Presentation Registration Form is required to help meet many of the various state Optometry Board requirements for continuing education acceptance. Please send the completed form to the above address.

- ◆ **Presenter's Name(s) and E-Mail Address:**

- ◆ **Paper Title:**

- ◆ **Brief Outline of Paper or Synopsis:**

- ◆ **2021 Virtual KISS will be via Zoom. It is critical and important that any presentation slides such as PowerPoint must be sent in advance to ensure that we can help in the presentation should there be any technical challenges. Send your completed PowerPoint slides in advance to jlkraskin@gmail.com.)**

- ◆ **Brief Curriculum Vitae:**
