The 4 Circles

Where am I

What is it

Where is it

Speech/auditory

Hierarchy to respect among the 4- circles:

1. Where am I.
2. Where is it.
3. What is it.
4. What do I know about it – how can I interact with it.

Where am I (Anti-gravity)

- From reflex movement to conscious movements.
- Motor development from up and down – head first.
- From gross motor to fine motor.
- To develop perception and control of all muscle chains
- Sequential – timing.

- Learning to learn!

Centering

Where is it

- Dorsal
- Faster
- Motor
- Peripheral
- Global
- Ground
- Fixation

Identification

What is it

- Ventral
- Slower
- Perceptual
- Central
- Specific
- Figure
- Accommodation

Speech Auditory

- What do I know about it
- Experience
- Concrete thinking

- How can I interact with it
- Visualization/imagination
- Abstract thinking
