House Plans Unlimited and/or Lee Ridenz Inc. hereby reserves its common law copyright and other property rights in these plans, ideas and designs. These plans, ideas, and designs, in whole or part, are not to be reproduced, changed, or copied in any form or manner whatsoever, nor are they to be assigned to any third party, without first obtaining the express written permission from House Plans Unlimited and/or Lee Ridenz Inc. Written dimensions on these drawings have precedent over scale dimensions. Contractors shall verify and be responsible for all dimensions and conditions of the job. House Plans Unlimited and/or Lee Ridenz Inc. must be notified in writing of any variance from the dimensions, conditions and specifications shown by these drawings. All construction to be in accordance with The Standard Building Code (SBBC) and States and/or local codes.

DESIGNER DISCLAIMER. We have exercised great effort and care in the creation of the home design and the completion of these construction drawings. However House Plans Unlimited and/or Lee Ridenz Inc. have not been contracted to provide personal consultation, site supervision or field inspection services and have no control over the construction materials, methods or sequencing used by the builder For these reasons, as well as the gross variations in local building codes, House Plans Unlimited and/or Lee Ridenz Inc assumes no responsibility for any damages, including consequential ones, resulting from errors or omissions in these construction drawings. We strongly recommend that you, the builder, have these drawings thoroughly reviewed by a licensed architect, professional engineer, certified residential designer or general contractor licensed to practice in your area, in addition to your local building officials prior to beginning construction.
