REDS

CABERNET SAUVIGNON

BODY — 5 ALCOHOL — 13.2% OAK — N/A

AROMA — FRUITY, HERBACEOUS, SPICY, WOODY

Considered a flagship variety of wine, it holds a deep garnet with slight violet undertones. It presents a fresh cherry bouquet rounded off with peppery highlights and delicate spices. You'll notice an initial attack with a lot of body and hearty tannins, but this well-balanced wine holds true to its character as a delightful wine that can be enjoyed under any condition.

MERLOT

BODY — 3 ALCOHOL — 12.9% OAK — N/A

AROMA — FLORAL, FRUITY, SPICY

This popular variety presents a subtle black currant nose along with a floral touch and a hint of assorted peppers. Its mellow tannins and soft finish present a pleasant initial attack with remarkable staying power. You will notice that it's refreshingly well balanced appeal while being robust and adding a velvety texture.

ZINFANDEL

BODY — 3 ALCOHOL — 12.6% OAK — N/A

AROMA — FRUITY

Known as the "Zinfandel Capital of the World", this winegrape production region is located in central California. Its sustainable viticulture program has cemented its reputation among California winegrowers in recent years. Lodi's elevation is 15 meters above sea level, and along with its soil and climate, result in big, bold and intense red wines.

REDS

SANGIOVESE

BODY — 2 ALCOHOL — 13% OAK — N/A

AROMA — FRUITY, WOODY

Sangiovese's translated name means "blood of Jove" (Jupiter) and it currently ranks second (in importance) in Italy after their Nebbiolo. Holding a bright ruby-red color, you will notice a clean attack with soft tannins as the presence of fruity ripe berries and a hint of underbrush overwhelm your taste buds.

SYRAH

BODY — 5 ALCOHOL — 13% OAK — N/A

AROMA — EARTHY, SPICY

A deeply structured wine with great colour and a robustness resulting from highly tannic grapes. Has a very high potential for aging. The patient winemaker will be rewarded and amazed with a big bold red wine with peppery and leather notes and other complexities.
