Qualifying Questions

Within the enrollment process, you will ask them if they are interested in learning how they could get paid for sharing Isagenix products with others. Let your new Member know that in order to help set them up for success, you're going to ask them some additional questions (listed below). As you ask these questions, dig deeper into each question to learn more about them, their goals, and their reasons for wanting healthy change in their life.

1. What do you do for a living now? Do you enjoy your work?
2. What would your ideal life look like if you could design it?
3. How much money do you think you'll need to achieve that ideal life?
4. How much time do you have per week to achieve those goals?
5. On a scale of 1 to 10, how committed are you to achieving your goals?
6. I want to help you achieve your goals. Taking focused action quickly is the best way to start. So, will you write down the names of the top 10 people who you think might be interested in joining you and get them to me by tomorrow? Think of people who have a burning desire to live a life of their dreams or people who are dissatisfied with their health or financial wellness situation.

Work with your new Member to create the list of their top 10 people they think may be interested in joining them.
