

LESSON PACKAGES

Thank you for being part of Weston Racquet Club's community. As we prepare for the upcoming 2026/2027 indoor season, we are updating our package lesson policies to better support our expanded professional staff and growing programming.

Because you have previously purchased a 12-pack of lessons, we will continue to honor that package **provided it is submitted by October 31, 2026**. Once your 12-pack is completed, you will have the option to enroll in one of our new **17-week or 34-week lesson packages**.

All 12 package lessons will carry a **4-month expiration** from the date of purchase. Any unused lessons remaining after the expiration date will be forfeited.

We understand this represents a change from past seasons. However, with additional pros joining our team, expanded programming, and increased court time demand, especially with many 34-week packages already sold, these updates will help us maintain a smooth, reliable scheduling experience for everyone.

Questions regarding this or any other club policy please contact

Joe Watson at 203-226-3349.
