

Bristol Golf Park Men's League

Dates and Details

Preseason Kickoff Week (Optional Play): May 21st, Thursday Evening (Tee times start at 4 PM)

- Optional play day, get everyone to the course to meet each other, and potentially play the course for the first time
- A one-time \$50 league fee will be charged to assist with on-course contests pool, weekly prizes, and end-of-season prizes

Regular Season: Thursday Evenings Week of May 28th – August 27th

- 2-person teams
- Week 1 - 10 will have rotating match play formats such as scramble, best ball, or alternate shot (exact week alignment can be adjusted based on the number of teams)
- Week 11 - 14, all teams will be seeded based on standings and placed in a double-elimination match-play bracket to determine the league champion (exact week alignment can be adjusted based on the number of teams)
- 14-week season, excluding the 4th of July week (July 2nd)
- \$15 per round, pay at the course, carts available in limited numbers require an additional charge

Tee Times

We will run tee times between **4 pm and 6 pm**, pending registrations.

All requests (early/late time or pairing request) must be sent to dbrown@northeastgolfcompany.com or texted to Drew at 508-298-8204 before league day. We must know by this deadline if you cannot play a certain week. Tee times, format, and other necessary information will be communicated every Monday morning.

Handicaps and Scoring

Active GHIN Handicaps will be required for play. Bristol Golf Park can accept payment of \$50 to activate the GHIN Handicap. If you have an active GHIN Handicap, BGP will be verified before league play. If you need to establish a handicap, two 18-hole rounds are required before the handicap is posted. Scoring will be completed the following day based on the format of the day.

Regular Season Standings

Based on the final count of teams we end up with, a point deviation will be determined for placement(s) after each week of play.

Regular-season prizes will be issued before the match-play playoff bracket begins. Prizes are to be determined. (Think Play pass, merch, gift cards, etc.)

Playoffs

All teams will be seeded based on the final points count after Week 10 and placed into a double-elimination match-play bracket to be played out over the final four weeks.

The final match of the season will be played on September 3rd to determine the league champion. If the loser bracket representative wins the 9-hole match, a second 9-hole match will proceed.

End-of-Season Awards and Celebration

After play on August 27th, we will host an end-of-season gathering to commemorate league play, have a grill out at the Beergarden, and crown several categories of award recipients, as well as the overall league champion.

This could include the lowest average score, the lowest round of the year, the most birdies, etc.

On-Course Rules

Max score is triple bogey (6). Play from Blue Tees. The ball is always played up. No mulligans. Always fix divots, repair greens, and rake bunkers. The pace of play is a **max of 90 minutes**.

Weekly Contests

We will run weekly contests and on-course games, including closest to the pin, longest putt made, and more.

Subs

If you want to send someone to take your place, just communicate beforehand. Pick wisely. Subs without a handicap will be scored gross. If you determine a sub ahead of play, send their name, email, and handicap information.

If you cannot find a sub, a blind draw score from the field will be selected to include in your team score for the week.
