

Norman R.

Wheeler

#2020Candidate District Attorney – Sixth Judicial District

Active Deputy District Attorney

Campaign Statement by The Committee to Elect Wheeler4DA:

Mr. Wheeler is currently the Deputy District Attorney for the Sixth Judicial District of New Mexico – which includes Luna, Hidalgo and Grant Counties wherein he is actively prosecuting cases for the District Attorney's office.

Therefore, while Mr. Wheeler is a 2020 Candidate for the office of the District Attorney he will be taking official leave as necessary from his current office in order to participate in campaign activities during work hours and in between his caseload that he is actively prosecuting. Mr. Wheeler will maintain integrity in all areas of propriety to his current role as the Deputy District Attorney while he pursues stepping up for the common goals of the tri-county area to reduce crime and violence together without jeopardizing his responsibilities as a Deputy District Attorney.

"In this day and age of skepticism it is a natural reaction to either do nothing or to be against things. I believe however, it is more important to stand for something and I believe together we can stand for reducing crime and violence in the Luna, Hidalgo and Grant counties."
