THANK YOU FOR YOUR SERVICE

We want to say Thank You to Anita Forry Moonshadow for her years of service to the Rocky Point Fire & EMS.

FIRST AID TIP OF THE MONTH

If you experience chest pain and are not allergic to aspirin, chew and swallow four (4) baby aspirin before the first responders arrive. Be sure and tell them that you did this so they know you don't need four more.

BURNING

Burning is expected to open up soon for a short period of time. When that happens make sure you follow regulations to protect our community.

FIRE TIP

If you have a fire and call 911 can we find your address? Is your street address number in a prominent place where we can easily see it as we approach your driveway?
