**ROCKY POINT FIRE/EMS BOARD**

Four Board members, fire chief, and 15 guests attended the December meeting, with Bruce calling the meeting to order and leading the pledge, then read a Board resignation letter from LaJean Yates.

Minutes were approved, after clarifying that Larry is the real Sargent at Arms. Treasurer’s report was also approved after Diann clarified the reality of billable income from responses, saying few are collectable, because most of the drivers are not insured. We do have some limited financial recoup.

For the Board, Steve reported on the monthly joint meeting of Rocky Point, Chiloquin, and Sprague River fire departments. The group is developing opportunities for such things as joint grant requests and training, with some success already evident with an upcoming joint Board member training session as well as Chiloquin offering free training to other departments and their volunteers. A forming committee will identify group grant opportunities, with the targets growing out of individual department priorities. They also addressed volunteerism, including individual department needs for people who don’t want to become full volunteers, auxiliary

formation, for example. Larry and Sandy will attend next month’s meeting.

Under new business, our Board members will be attending a KCC class for Boards. Diann talked about a letter from SDAO concerning bylaws and the use of Roberts Rules of Order. After Great Basin’s last evaluation, they concluded the department’s rates, as well as Workers Compensation costs, would be going up. All volunteers will now be required to sign Department Policy document. Steve addressed replacing LaJean and suggested a position description and SDAO guidelines for Board members be posted as an email, at various locations locally, and on the department website. Greg Sullivan and Dean Grieb confirmed their previously-submitted applications should be considered active for this vacancy.

Chief Diann reported we have a certified NFTA firefighter offering training for the district, which will result in certifying 12 – 13 of our volunteers. One volunteer has

entered EMT training, and all volunteers are now trained to drive the tender and the pumper. Rig 2112 has been delivered to District #5. In the previous month, volunteers responded to 3 MVAs, 1 medical, and 2 smoke reports. Steve asked that the training schedule be included in the minutes and on the web site. Bruce commended the volunteers on their response.

For the Summer Festival, Sandy said the first meeting will be the 1<sup>st</sup> week in February. For the VFA, Linda said things are on track for the Feb. 13<sup>th</sup> Winter Wings dinner, as well as the Feb. 21<sup>st</sup> hero honor ceremony for the 9-year-old boy.

Good and welfare topics covered the BBQ, defibrillator, town response times, grant considerations, sleeper opportunities, and Lake of the Woods role in our department.

Finally, the Board accepted LaJean's resignation, and the meeting adjourned.

Patrons are encouraged to use the department's website to see official minutes, meeting dates, agendas, and other postings of interest. [www.rpfire.com](http://www.rpfire.com).

You're welcome at any of the meetings the 2<sup>nd</sup> Monday of each month, 10 AM, Aspen Community Room. *Meeting agenda is posted on the kiosk prior to each meeting. ### Honoring Heroism

Rocky Point's volunteers, Board, Chief, and family honored young Logan Stephens, who lives at the ODOT compound by Lake of the Woods, for his heroic and mature response after finding his grandmother unresponsive. His actions most probably saved her life. Kudos to our own volunteers, who were also instrumental in saving yet another life.
