### ROCKY POINT FIRE/EMS BOARD

The May Board meeting was cancelled, due to concerns about adequately providing distance between attendees and following requirements for the Open Meeting Law. However, the Budget Committee met on May 18, with 4 Board members, fire chief, 3 community Budget Committee members, and 3 guests attending. Budget Officer Sandy Handsaker led the group through each item.

Discussion occurred on several items, mainly the realistic amount to record in anticipated grant income and fuel fund reimbursement for out-of-district volunteers. The Committee decided to reduce the anticipated grant income from \$100,000 to \$20,000. At issue is the requirement to submit a supplemental budget, should the actual grant income exceed the anticipated amount by a certain amount, weighing that against a total budget figure that’s far higher than the annual identified income. They also approved \$25 per month fuel reimbursement for each of the 2 out-of-district EMTs. The discussion on this item addressed the fairness of reimbursing some volunteers and not all of them.

The Committee approved a final budget total of \$194,265 for the 2020-21

fiscal year. The budget will now go to the RP Fire Board for final approval.

**Upcoming Board Meeting.** The Board will complete the budget approval process for the 2020-21 fiscal year prior to the Board meeting on June 8, 10 AM. The public is invited to attend this segment as well as the June Board meeting. The meeting will be held in the equipment bays, so all in attendance can maintain appropriate distancing. The agenda for the meeting will be available on the department’s website, [rpfire.com](http://rpfire.com), as well as on the kiosk at the fire department.

Patrons are encouraged to use the department’s website to see official minutes, meeting dates, agendas, and other postings of interest. [www.rpfire.com](http://www.rpfire.com).

You’re welcome at any of the meetings the 2<sup>nd</sup> Monday of each month, 10 AM, Aspen Community Room. *Meeting agenda is posted on the kiosk prior to each meeting. Official minutes posted at the fire hall kiosk, [rpfire.com](http://rpfire.com), and available upon request at 541 205-4934. This Institution is an equal opportunity provider.*

### RUNNIN' AROUND

In spite of being locked down, several folks did enjoy some simple pleasures – **Blacks** hiked local trails, explore some California back country, and gave food reviews on take-out meals; **Wicklunds** social distanced several times on birding excursions; **Rona** checked in on her parents; **Jensens** camped in a gravel pit and did some 4-wheeling; **Rusts** went to their own cabin and also rented a cabin in Remote and hiked a few trails and drove to some sights, joined by the RVing **Griebs; Sullivans and Wests** explored locally in separate ATVs with separate lunches eaten separately in the same vicinity.

Bottom line is everyone is responsible for their own health and happiness. We're very fortunate to live in a place where we have so many free and simple opportunities that we might take for granted, ones that so many others travel hundreds of miles to see and experience. There's no reason we can't soak them up, even become reacquainted with the reasons we chose to live in this area. And for the most part, we have them all to ourselves. Social distancing is easy here.

### GENERAL HOSPITAL

**Jan Swanson**, adventuresome, outdoorsy, not afraid of anything, never sick, never injured, broke her ankle during a not-

so-adventuresome chore – feeding the chickens. Quick healing to her!

### CONDOLENCES

Our sympathies to the three Mountain Lakes residents who reportedly are saddened by the recent deaths of their dogs. That's a lot during a short time, especially when those furry friends are so important to us.

### RESORT NEWS

Gradual reopening is the name of the game, and our local resorts and businesses are doing just that. But change seems to be the word of the day, so call ahead to make sure offerings are current.

**Lake of the Woods Resort**, campgrounds, and boat ramps are now open 7 days per week. As an added bonus, fish stocking goes on regularly. The newly-finished lodge is doing very well with reservations suggested. They've included some new and revised menu selections that they think everyone will love. The big AH HA is the upstairs bar!

On a local note, they are still hiring if anyone is looking for full- and part-time work in all areas of the resort. And locals should remember to pick up visitor passes.

**Rocky Point Resort** welcomes you with a new trout fish sculpture at the entrance! Newly-added pontoon rental & store remodel. Camping, rentals, and store all open 7 days a week, 9 AM – 5 PM. Restaurant will open in June, 4 – 8 PM. Call for reservations.

**Odessa Market**, open 10 AM – 6 PM Monday, Tuesday, & Thursday. 8 AM – 6 PM Wednesday, Friday, Saturday, & Sunday.

**Fish Lake Resort** - 541 949-8500

**Harriman Springs Resort** - 541 356-0900, 844 733-2263.

Call ahead for **Quilting Sisters'** hours.

But this is for sure! **Gardens of Joy** has what you need to get out in the garden, which many of you have already discovered. Pick up Rocky Point-propagated plants, and order your hanging baskets and annuals to plant in now. Delivery in Rocky Point, or make an appointment for a one-on-one garden tour to the nursery.
