From the Writers

In the almost 25 years of this newsletter's publication, there has been one price increase in annual mailed subscriptions (1997 increased from \$5 per year to \$6 per year). Since then, all costs associated with printing and mailing have gone up, and we haven't. Now we gotta! From now on, all annual subscriptions will cost \$7, a real bargain to have 12 issues of anything delivered to your mailbox. Thanks to everyone who supports this effort and to those who throw a few extra bucks in your payments.

TO THE POINT is a monthly volunteer, nonprofit newsletter, available on the first of every month at Mountain Lakes Auto, Odessa Store, Rocky Point Resort, Lake of the Woods Resort, Quilting Sisters, Harriman Springs Resort, & RPF D kiosk.

Annual subscriptions for direct mailing are available by sending \$7 and your complete mailing address to Diane Grieb, 22505 Aspen St., Klamath Falls, OR 97601

ROCKY POINT FIRE/EMS BOARD

Four Board members, fire chief, and 9 guests attended the October meeting, called to order by Bruce. After the pledge, the Board approved the minutes of the previous meeting as well as the ones from the Oct. 7 special meeting. The Board addressed the August treasurer's report, tabled at last meeting. After clarifications on items relating to individual billings on the VISA card and a fee of \$675 for a CPR class, the Board approved both August and September treasurer's reports. Sandy has completed the required audit report and will soon learn how to fill out an additional form.

Under Old Business, Diann reported on progress in finding previous minutes and policies. Then the Board held discussion on applicants applying to fill the vacant board position. By majority vote, Larry Duggar was chosen to fill out the term vacated by Fred. He will be sworn in at the next meeting. The item Success of the Fire Department will be addressed on along as relevant items surface. The new copier arrived, damaged, with refund in hand. The search will continue for another.

New Business kicked off with determining the disposition of vehicle 2170, the previous rescue vehicle, which has a number of mechanical problems, and we

don't have enough volunteers to get it out the door. Board approved offering it to Jim Kelly for \$1000. If he doesn't want it, they'll look into getting it repaired enough to sell. Diann also proposed selling the air filtration trailer, pointing out the only volunteers we have certified to use SCBA don't live in the district and there's no place to store it. After Chiloquin fire chief Cook said his department would help keep our tanks filled, the Board approved letting it become surplus.

Chief's report included the following: All vehicles are ready for winter; volunteers will move rigs for Fall festival and sell tee shirts at the event; the department responded to 5 smoke reports, 5 medicals, and 1 MVA; volunteers attended a Fire Prevention event at KCC and received support for being involved; we have \$33,000 in outstanding ambulance billings; our only EMT will be having surgery and there will be times during her healing when the ambulance won't be available for service; two volunteers resigned and are moving to town; and the Board approved updating the Facility Agreement with Public Works to park the grader at the department.

For the Summer Festival, Sandy said we still need someone to head it up for 2020. For the VFA, Anita announced a pie and coffee meet and greet on Nov. 17, and we have another EMT in training.

Several items surfaced in the Good and Welfare, including thanks to Diann for sharing gleaned potatoes with everyone.

Patrons are encouraged to use the department's website to see official minutes, meeting dates, agendas, and other postings of interest. www.rpfire.com.

You're welcome at any of the meetings the 2nd Monday of each month, 10 AM, Aspen Community Room. *Meeting agenda is posted on the kiosk prior to each meeting. Official minutes posted at the fire hall kiosk, and available upon request at 541 205-4934. This Institution is an equal opportunity provider.*

DON'T FORGET THE LIBRARY

Cold weather is a good time to snuggle up with a good book. New ones continue to arrive, including several on local and Oregon History. Plus take advantage of the huge collection of movies, novels, and non-fiction. Maybe it's time to reread The History of Rocky Point.

PIE AND COFFEE!

Not a thing wrong with that, especially when you can also meet your local fire department volunteers and see what actually goes on with your fire department. **VFA Meet and Greet, Sunday, November 17, 2 – 4 PM.**

IT WAS FALL FESTIVAL TIME!

In spite of a bit of rain, folks rounded in at the fire hall and set some records,

mostly in the area of visiting with good friends and meeting new people. But the bake sale people peddled more than 90 pies, plus all the other goodies. Stop by the fire hall and see what the raffle income from the quilt (won, by the way, by Irene Evans) bought for the department. A hearty thanks to the nearly 50 people who worked in various capacities to make yet another happy day.

RUNNIN' AROUND

Loren & Elaine motored to Reno for a wedding and family time, and the **Griebs** linked up with an old friend for some camping time at Eagle Lake. **Margaret and Bella** decided to blow this burg for time with her daughter and family and take in a Beaver's game.

Annie headed north to Beaverton again, but this time for a funeral. **Rusts** got a Redwoods fix around Crescent City in the process of linking up with Jim's brother and wife, who were passing through on a National Parks tour.

Janice Jensen got home from an Oregon exploring trip with her sister in time to send **Steve** off to Washington to hold his newest and 8th grandchild, this one a little prince and the first able to carry on the Jensen name. **LaJean** just can't stay away from her kids in Wallowa, and who knows when she'll come back.

CONDOLENCES

Sympathy to Alice and the many friends and family, following the death of **Fred Martin**. And to **Cindi LaBaron**, whose sister passed away after a long battle with cancer.

GENERAL HOSPITAL

No need to wish **Joy Harris** a speedy recovery from hip surgery, because she's already out hiking in the woods, helping with the Fall Festival, and generally being her tough self.

NOW FOR HAPPY NEWS

Former residents **Helen & Edwin** welcomed a healthy baby son to their family. No word on the name yet.

RESORT NEWS

Lake of the Woods Resort is offering all kinds of things during these fall months, like Thursday Italian nights, Rocky Point appreciation nights, and live music. Check their web page often for announcements.
