Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as a Named Insured under this policy. The words "we", "us" and "our" refer to the company providing this insurance.

The word "insured" means any person or organization qualifying as such under Section II – Who Is An Insured.

Other words and phrases that appear in quotation marks have special meaning. Refer to Section V – Definitions.

SECTION I – COVERAGES

COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY

1. Insuring Agreement

a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "bodily injury" or "property damage" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking those damages. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. We may, at our discretion, investigate any "occurrence" and settle any claim or "suit" that may result. But:

- 1) The amount we will pay for damages is limited as described in Section III – Limits Of Insurance; and
- 2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements under Coverages A or B or medical expenses under Coverage C.

No other obligation or liability to pay sums or perform acts or services is covered unless explicitly provided for under Supplementary Payments – Coverages A and B.

b. This insurance applies to "bodily injury" and "property damage" only if:

- 1) The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory";
- 2) The "bodily injury" or "property damage" occurs during the policy period; and

3) Prior to the policy period, no insured listed under Paragraph 1. of Section II – Who Is An Insured and no "employee" authorized by you to give or receive notice of an "occurrence" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.

c. "Bodily injury" or "property damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred by any insured listed under Paragraph 1. of Section II – Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim, includes any continuation, change or resumption of that "bodily injury" or "property damage" after the end of the policy period.

d. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any insured listed under Paragraph 1. of Section II – Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim:

- 1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;
- 2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or
- 3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.

e. Damages because of "bodily injury" include damages claimed by any person or organization for care, loss of services or death resulting at any time from the "bodily injury".

2. Exclusions

This insurance does not apply to:

a. Expected Or Intended Injury

"Bodily injury" or "property damage" expected or intended from the standpoint of the insured. This exclusion does not apply to "bodily injury" resulting from the use of reasonable force to protect persons or property.

b. Contractual Liability

"Bodily injury" or "property damage" for which the insured is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages:

- 1) That the insured would have in the absence of the contract or agreement; or
- 2) Assumed in a contract or agreement that is an "insured contract", provided the "bodily injury" or "property damage" occurs subsequent to the execution of the contract or agreement. Solely for the purposes of liability assumed in an "insured contract", reasonable attorneys' fees and necessary litigation expenses incurred by or for a party other than an insured are deemed to be damages because of "bodily injury" or "property damage", provided:
 - a) Liability to such party for, or for the cost of, that party's defense has also been assumed in the same "insured contract"; and
 - b) Such attorneys' fees and litigation expenses are for defense of that party against a civil or alternative dispute resolution proceeding in which damages to which this insurance applies are alleged.

c. Liquor Liability

"Bodily injury" or "property damage" for which any insured may be held liable by reason of:

- 1) Causing or contributing to the intoxication of any person;
- 2) The furnishing of alcoholic beverages to a person under the legal drinking age or under the influence of alcohol; or
- 3) Any statute, ordinance or regulation relating to the sale, gift, distribution or use of alcoholic beverages.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in:

- a) The supervision, hiring, employment, training or monitoring of others by that insured; or
- b) Providing or failing to provide transportation with respect to any person that may be under the influence of alcohol;

if the "occurrence" which caused the "bodily injury" or "property damage", involved that which is described in Paragraph 1), 2) or 3) above.

However, this exclusion applies only if you are in the business of manufacturing, distributing, selling, serving or furnishing alcoholic beverages. For the purposes of this exclusion, permitting a person to bring alcoholic beverages on your premises, for consumption on your premises, whether or not a fee is charged or a license is required for such activity, is not by itself considered the business of selling, serving or furnishing alcoholic beverages.

d. Workers' Compensation And Similar Laws

Any obligation of the insured under a workers' compensation, disability benefits or unemployment compensation law or any similar law.

e. Employer's Liability

"Bodily injury" to:

- 1) An "employee" of the insured arising out of and in the course of:
 - a) Employment by the insured; or
 - b) Performing duties related to the conduct of the insured's business; or
- 2) The spouse, child, parent, brother or sister of that "employee" as a consequence of Paragraph 1) above.

This exclusion applies whether the insured may be liable as an employer or in any other capacity and to any obligation to share damages with or repay someone else who must pay damages because of the injury.

This exclusion does not apply to liability assumed by the insured under an "insured contract".

- ii) "Bodily injury" or "property damage" for which you may be held liable, if you are a contractor and the owner or lessee of such premises, site or location has been added to your policy as an additional insured with respect to your ongoing operations performed for that additional insured at that premises, site or location and such premises, site or location is not and never was owned or occupied by, or rented or loaned to, any insured, other than that additional insured; or
 - iii) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire";
- b) At or from any premises, site or location which is or was at any time used by or for any insured or others for the handling, storage, disposal, processing or treatment of waste;
 - c) Which are or were at any time transported, handled, stored, treated, disposed of, or processed as waste by or for:
 - i) Any insured; or
 - ii) Any person or organization for whom you may be legally responsible; or
 - d) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations if the "pollutants" are brought on or to the premises, site or location in connection with such operations by such insured, contractor or subcontractor. However, this subparagraph does not apply to:
 - i) "Bodily injury" or "property damage" arising out of the escape of fuels, lubricants or other operating fluids which are needed to perform the normal electrical, hydraulic or mechanical functions necessary for the operation of "mobile equipment" or its parts, if such fuels, lubricants or other operating fluids escape from a vehicle part designed to hold, store or receive them. This exception does not apply if the "bodily injury" or "property damage" arises out of the intentional discharge, dispersal or release of the fuels, lubricants or other operating fluids, or if such fuels, lubricants or other operating fluids are brought on or to the premises, site or location with the intent that they be discharged, dispersed or released as part of the operations being performed by such insured, contractor or subcontractor;

- ii) "Bodily injury" or "property damage" sustained within a building and caused by the release of gases, fumes or vapors from materials brought into that building in connection with operations being performed by you or on your behalf by a contractor or subcontractor; or
 - iii) "Bodily injury" or "property damage" arising out of heat, smoke or fumes from a "hostile fire".
- e) At or from any premises, site or location on which any insured or any contractors or subcontractors working directly or indirectly on any insured's behalf are performing operations if the operations are to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants".
- 2) Any loss, cost or expense arising out of any:
 - a) Request, demand, order or statutory or regulatory requirement that any insured or others test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of, "pollutants"; or
 - b) Claim or suit by or on behalf of a governmental authority for damages because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of, "pollutants".

However, this paragraph does not apply to liability for damages because of "property damage" that the insured would have in the absence of such request, demand, order or statutory or regulatory requirement, or such claim or "suit" by or on behalf of a governmental authority.

- b. Up to \$250 for cost of bail bonds required because of accidents or traffic law violations arising out of the use of any vehicle to which the Bodily Injury Liability Coverage applies. We do not have to furnish these bonds.
- c. The cost of bonds to release attachments, but only for bond amounts within the applicable limit of insurance. We do not have to furnish these bonds.

- e. All court costs taxed against the insured in the "suit". However, these payments do not include attorneys' fees or attorneys' expenses taxed against the insured.
- f. Prejudgment interest awarded against the insured on that part of the judgment we pay. If we make an offer to pay the applicable limit of insurance, we will not pay any prejudgment interest based on that period of time after the offer.
- g. All interest on the full amount of any judgment that accrues after entry of the judgment and before we have paid, offered to pay, or deposited in court the part of the judgment that is within the applicable limit of insurance.

These payments will not reduce the limits of insurance.

- 2. If we defend an insured against a "suit" and an indemnitee of the insured is also named as a party to the "suit", we will defend that indemnitee if all of the following conditions are met:
 - a. The "suit" against the indemnitee seeks damages for which the insured has assumed the liability of the indemnitee in a contract or agreement that is an "insured contract";
 - b. This insurance applies to such liability assumed by the insured;
 - c. The obligation to defend, or the cost of the defense of, that indemnitee, has also been assumed by the insured in the same "insured contract";
 - d. The allegations in the "suit" and the information we know about the "occurrence" are such that no conflict appears to exist between the interests of the insured and the interests of the indemnitee;
 - e. The indemnitee and the insured ask us to conduct and control the defense of that indemnitee against such "suit" and agree that we can assign the same counsel to defend the insured and the indemnitee; and

So long as the above conditions are met, attorneys' fees incurred by us in the defense of that indemnitee, necessary litigation expenses incurred by us and necessary litigation expenses incurred by the indemnitee at our request will be paid as Supplementary Payments. Notwithstanding the provisions of Paragraph 2.b.2) of Section I – Coverage A – Bodily Injury And Property Damage Liability, such payments will not be deemed to be damages for "bodily injury" and "property damage" and will not reduce the limits of insurance.

Our obligation to defend an insured's indemnitee and to pay for attorneys' fees and necessary litigation expenses as Supplementary Payments ends when we have used up the applicable limit of insurance in the payment of judgments or settlements or the conditions set forth above, or the terms of the agreement described in Paragraph f. above, are no longer met.

SECTION II – WHO IS AN INSURED

1. If you are designated in the Declarations as:

- a. An individual, you and your spouse are insureds, but only with respect to the conduct of a business of which you are the sole owner.
- b. A partnership or joint venture, you are an insured. Your members, your partners, and their spouses are also insureds, but only with respect to the conduct of your business.
- c. A limited liability company, you are an insured. Your members are also insureds, but only with respect to the conduct of your business. Your managers are insureds, but only with respect to their duties as your managers.
- d. An organization other than a partnership, joint venture or limited liability company, you are an insured. Your "executive officers" and directors are insureds, but only with respect to their duties as your officers or directors. Your stockholders are also insureds, but only with respect to their liability as stockholders.
- e. A trust, you are an insured. Your trustees are also insureds, but only with respect to their duties as trustees.

2. Each of the following is also an insured:
- a. Your "volunteer workers" only while performing duties related to the conduct of your business, or your "employees", other than either your "executive officers" (if you are an organization other than a partnership, joint venture or limited liability company) or your managers (if you are a limited liability company), but only for acts within the scope of their employment by you or while performing duties related to the conduct of your business. However, none of these "employees" or "volunteer workers" are insureds for:
 - 1) "Bodily injury" or "personal and advertising injury":
 - a) To you, to your partners or members (if you are a partnership or joint venture), to your members (if you are a limited liability company), to a co-"employee" while in the course of his or her employment or performing duties related to the conduct of your business, or to your other "volunteer workers" while performing duties related to the conduct of your business;
 - b) To the spouse, child, parent, brother or sister of that co-"employee" or "volunteer worker" as a consequence of Paragraph 1)a) above;

 - 2) "Property damage" to property:
 - a) Owned, occupied or used by;
 - b) Rented to, in the care, custody or control of, or over which physical control is being exercised for any purpose by;

you, any of your "employees", "volunteer workers", any partner or member (if you are a partnership or joint venture), or any member (if you are a limited liability company).
 - b. Any person (other than your "employee" or "volunteer worker"), or any organization while acting as your real estate manager.

 - 1) With respect to liability arising out of the maintenance or use of that property; and
 - 2) Until your legal representative has been appointed.
 - d. Your legal representative if you die, but only with respect to duties as such. That representative will have all your rights and duties under this Coverage Part.

3. Any organization you newly acquire or form, other than a partnership, joint venture or limited liability company, and over which you maintain ownership or majority interest, will qualify as a Named Insured if there is no other similar insurance available to that organization. However:
 - a. Coverage under this provision is afforded only until the 90th day after you acquire or form the organization or the end of the policy period, whichever is earlier;
 - b. Coverage A does not apply to "bodily injury" or "property damage" that occurred before you acquired or formed the organization; and
 - c. Coverage B does not apply to "personal and advertising injury" arising out of an offense committed before you acquired or formed the organization.

No person or organization is an insured with respect to the conduct of any current or past partnership, joint venture or limited liability company that is not shown as a Named Insured in the Declarations.

SECTION III – LIMITS OF INSURANCE

1. The Limits of Insurance shown in the Declarations and the rules below fix the most we will pay regardless of the number of:
 - a. Insureds;
 - b. Claims made or "suits" brought; or
 - c. Persons or organizations making claims or bringing "suits".
2. The General Aggregate Limit is the most we will pay for the sum of:
 - a. Medical expenses under Coverage C;
 - b. Damages under Coverage A, except damages because of "bodily injury" or "property damage" included in the "products-completed operations hazard"; and
 - c. Damages under Coverage B.
3. The Products-Completed Operations Aggregate Limit is the most we will pay under Coverage A for damages because of "bodily injury" and "property damage" included in the "products-completed operations hazard".
4. Subject to Paragraph 2. above, the Personal And Advertising Injury Limit is the most we will pay under Coverage B for the sum of all damages because of all "personal and advertising injury" sustained by any one person or organization.
5. Subject to Paragraph 2. or 3. above, whichever applies, the Each Occurrence Limit is the most we will pay for the sum of:
 - a. Damages under Coverage A; and
 - b. Medical expenses under Coverage C

because of all "bodily injury" and "property damage" arising out of any one "occurrence".

- 6. Subject to Paragraph 5. above, the Damage To Premises Rented To You Limit is the most we will pay under Coverage A for damages because of "property damage" to any one premises, while rented to you, or in the case of damage by fire, while rented to you or temporarily occupied by you with permission of the owner.
- 7. Subject to Paragraph 5. above, the Medical Expense Limit is the most we will pay under Coverage C for all medical expenses because of "bodily injury" sustained by any one person.

The Limits of Insurance of this Coverage Part apply separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS

1. Bankruptcy

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this Coverage Part.

2. Duties In The Event Of Occurrence, Offense, Claim Or Suit

- a. You must see to it that we are notified as soon as practicable of an "occurrence" or an offense which may result in a claim. To the extent possible, notice should include:
 - 1) How, when and where the "occurrence" or offense took place;
 - 2) The names and addresses of any injured persons and witnesses; and
 - 3) The nature and location of any injury or damage arising out of the "occurrence" or offense.
- b. If a claim is made or "suit" is brought against any insured, you must:
 - 1) Immediately record the specifics of the claim or "suit" and the date received; and
 - 2) Notify us as soon as practicable.

You must see to it that we receive written notice of the claim or "suit" as soon as practicable.

- c. You and any other involved insured must:
 - 1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or "suit";
 - 2) Authorize us to obtain records and other information;

- 3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit"; and
- 4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of injury or damage to which this insurance may also apply.
- d. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

3. Legal Action Against Us

No person or organization has a right under this Coverage Part:

- a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or
- b. To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

4. Other Insurance

If other valid and collectible insurance is available to the insured for a loss we cover under Coverages A or B of this Coverage Part, our obligations are limited as follows:

a. Primary Insurance

This insurance is primary except when Paragraph b. below applies. If this insurance is primary, our obligations are not affected unless any of the other insurance is also primary. Then, we will share with all that other insurance by the method described in Paragraph c. below.

b. Excess Insurance

- 1) This insurance is excess over:
 - a) Any of the other insurance, whether primary, excess, contingent or on any other basis:
 - i) That is Fire, Extended Coverage, Builder's Risk, Installation Risk or similar coverage for "your work";
 - ii) That is Fire insurance for premises rented to you or temporarily occupied by you with permission of the owner;
 - iii) That is insurance purchased by you to cover your liability as a tenant for "property damage" to premises rented to you or temporarily occupied by you with permission of the owner; or

iv) If the loss arises out of the maintenance or use of aircraft, "autos" or watercraft to the extent not subject to Exclusion g. of Section I – Coverage A – Bodily Injury And Property Damage Liability.

b) Any other primary insurance available to you covering liability for damages arising out of the premises or operations, or the products and completed operations, for which you have been added as an additional insured.

2) When this insurance is excess, we will have no duty under Coverages A or B to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

3) When this insurance is excess over other insurance, we will pay only our share of the amount of the loss, if any, that exceeds the sum of:

a) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and

b) The total of all deductible and self-insured amounts under all that other insurance.

4) We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations of this Coverage Part.

c. Method Of Sharing

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

5. Premium Audit

a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.

b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit and retrospective premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.

c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. Representations

By accepting this policy, you agree:

a. The statements in the Declarations are accurate and complete;

b. Those statements are based upon representations you made to us; and

c. We have issued this policy in reliance upon your representations.

7. Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

a. As if each Named Insured were the only Named Insured; and

b. Separately to each insured against whom claim is made or "suit" is brought.

8. Transfer Of Rights Of Recovery Against Others To Us

If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

9. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

Tort liability means a liability that would be imposed by law in the absence of any contract or agreement.

 - While it is in or on an aircraft, watercraft or "auto"; or
 - While it is being moved from an aircraft, watercraft or "auto" to the place where it is finally delivered;

but "loading or unloading" does not include the movement of property by means of a mechanical device, other than a hand truck, that is not attached to the aircraft, watercraft or "auto".

Work that may need service, maintenance, correction, repair or replacement, but which is otherwise complete, will be treated as completed.

- b. Does not include "bodily injury" or "property damage" arising out of:
 - 1) The transportation of property, unless the injury or damage arises out of a condition in or on a vehicle not owned or operated by you, and that condition was created by the "loading or unloading" of that vehicle by any insured;
 - 2) The existence of tools, uninstalled equipment or abandoned or unused materials; or
 - 3) Products or operations for which the classification, listed in the Declarations or in a policy Schedule, states that products-completed operations are subject to the General Aggregate Limit.

D. Automatic Adjustment of Coverage Amounts

This policy provides you with a guard against the effect of inflation on construction costs for **Building(s) – Coverage 1**.

We will keep track of construction costs and at the next policy period we will adjust the amount of your building coverage, if necessary. Your premium will be adjusted at each policy period to reflect any change in the Amount of Insurance.

During the policy period, if there is an increase in construction costs and a "loss" occurs, we will reflect the increase in the Amount of Insurance for **Building(s) – Coverage 1** before making payment. The amount of increase in the Amount of Insurance will be:

1. The Amount of Insurance that applied to your covered building(s) on the most recent of the policy inception date, or the policy anniversary date, or any other policy change amending the Amount of Insurance, times;

4. There will be no charge for this additional coverage.

Income Protection means loss of "income" and/or "rental income" you sustain due to partial or total "interruption of business" resulting directly from "loss" or damage to property on the premises described in the "Declarations" from a peril insured against. "Loss" or damage also

includes covered property in the open, or in a vehicle, on the premises described in the "Declarations" or within 1,500 feet thereof from a peril insured against.

2. All routes within the building that service or are used to gain access to the described premises; and
3. The area within 1,500 feet of the premises described in the "Declarations" (with respect to "loss" or damage to covered property in the open or in a vehicle).

You are required to resume normal business operations as promptly as possible and shall use all available means to eliminate any unnecessary delay.

B. Extra Expense Coverage

"Extra expense" coverage is provided at the premises described in the "Declarations" only if the "Declarations" shows that Income Protection Coverage applies to that premises.

We will pay necessary actual and necessary "extra expenses" (other than the expense to repair or replace property) sustained by you to:

1. Avoid or minimize the "interruption of business" and to continue your business operations:
 - a. At the premises described in the "Declarations"; or
 - b. At replacement premises or at temporary locations, including:
 - 1) Relocation expenses; and
 - 2) Costs to equip and operate the replacement or temporary locations.

3. Repair or replace your covered property; research, replace, or restore the lost information on damaged valuable papers, records, or "electronic data" to the extent it reduces the amount of loss that otherwise would have been payable under loss of "income" and/or "rental income".

C. Additional Coverages

1. Civil Authority

When a peril insured against causes damage to property other than property at the premises described in the "Declarations", we will pay for the actual loss of "income" and/or "rental income" you sustain and necessary "extra expense" caused by action of civil authority that prohibits access to the premises described in the "Declarations" provided that both of the following apply:

- a. Access to the area immediately surrounding the damaged property is prohibited by civil authority as a result of the damage, and the premises described in the "Declarations" are within that area but are not more than one mile from the damaged property; and

Civil Authority coverage for "income" and/or "rental income" will begin seventy-two (72) hours after the time of the first action of civil authority that prohibits access to the premises described in the "Declarations" and will apply for a period of up to four consecutive weeks from the date on which such coverage began.

Civil Authority coverage for "extra expense" will begin immediately after the time of the first action of civil authority that prohibits access to the premises described in the "Declarations" and will end:

- a. Four consecutive weeks after the date of that action; or
- b. When your Civil Authority coverage for "income" and/or "rental income" ends;

whichever is later.

2. Full Resumption of Operations

We will also pay your actual loss of "income" and/or "rental income" for an additional sixty (60) days if your "income" and/or "rental income" after operations are resumed is less than your "income" and/or "rental income" before the loss. The additional amount we will pay will start after the later of the following times:

- a. The date on which the coverage for **Income Protection – Coverage 3** would terminate if this clause had not been included; or
- b. The date on which repair, replacement, or rebuilding of such part of the damaged or

destroyed property described in the "Declarations" is actually completed.

D. Amount of Insurance

1. We will pay the actual loss of "income" and/or "rental income" sustained by you for any one loss up to the Amount of Insurance shown in the "Declarations" for **Income Protection – Coverage 3** for the premises shown in the "Declarations".

The "income" and/or "rental income" loss sustained by you shall not exceed:

- a. The actual reduction of "income" and/or "rental income" during the "interruption of business"; and
- b. The reduction in rents received less charges and expenses which do not necessarily continue during the "interruption of business" or during the period when the tenant cannot inhabit the premises.

We will pay the actual Income Protection loss for only such length of time as would be required to resume normal business operations.

Payment of loss of "income" and/or "rental income" is not limited by the end of the policy period.

Payments for any loss under the following coverages are also subject to the Amount of Insurance shown in the "Declarations" for **Income Protection – Coverage 3** and will not increase this Amount of Insurance:

- a. Extra Expense Coverage;
- b. Civil Authority; or
- c. Full Resumption of Operations.

2. If the premises described in the "Declarations" shows Actual Loss Sustained for **Income Protection – Coverage 3** in the "Declarations", we will pay the actual loss of "income" and/or "rental income" sustained by you for any one loss for **Income Protection – Coverage 3** for that premises described in the "Declarations".

The "income" and/or "rental income" loss sustained by you shall not exceed:

- a. The actual reduction of "income" and/or "rental income" during the "interruption of business"; and
- b. The reduction in rents received less charges and expenses which do not necessarily continue during the "interruption of business" or during the period when the tenant cannot inhabit the premises.

We will pay the actual Income Protection loss for only such length of time as would be required to resume normal business operations. We will limit the time period to the shorter of the following periods:

- a. The time period required to rebuild, repair, or replace such part of the building or business personal property that has been damaged or destroyed as a direct result of a peril insured against; or
- b. From the date of loss, the period of indemnity shown in the "Declarations".

Payment of loss of "income" and/or "rental income" is not limited by the end of the policy period.

Payments under the following coverages are also subject to the time period to rebuild, repair, or replace covered property or the period of indemnity shown on the "Declarations":

- a. Extra Expense Coverage;
- b. Civil Authority; or
- c. Full Resumption of Operations.

SECTION II – PERILS INSURED AGAINST

BUILDING(S) – COVERAGE 1

BUSINESS PERSONAL PROPERTY AND PERSONAL PROPERTY OF OTHERS – COVERAGE 2

INCOME PROTECTION – COVERAGE 3

Covered Cause of Loss

This policy insures against direct physical "loss", except "loss" as excluded or limited in this policy.

SECTION III – EXCLUSIONS

A. Coverages 1, 2, and 3

We do not cover under **Building(s) – Coverage 1; Business Personal Property and Personal Property of Others – Coverage 2; and Income Protection – Coverage 3** "loss" or damage caused directly or indirectly by any of the following. Except as expressly set forth below such "loss" or damage is excluded regardless of any cause or event that contributes concurrently or in any sequence to the "loss":

1. Deterioration or depreciation.
2. Intentional "loss", meaning any "loss" arising from an act committed by or at the direction of the insured with the intent to cause a "loss".
3. "Loss" or damage caused by or resulting from any of the following:
 - a. By weather conditions, but only if weather conditions contribute in any way with a peril

excluded in **Section III – Exclusions A. Coverages 1, 2, and 3** to produce the "loss";

- b. By acts or decisions, including the failure to act or decide, by anyone;
- c. By faulty, inadequate, or defective:
 - a) Planning, zoning, development, or surveying;
 - b) Design, specifications, workmanship, repair, construction, renovating, remodeling, grading, or compaction;
 - c) Materials used in repair, construction, renovation, remodeling; or
 - d) Maintenance;

of property whether on or off the insured premises by anyone, but if "loss" by a peril insured against results, we will pay for the ensuing "loss".

4. Neglect of an insured to use all reasonable means to save and preserve property from further damage at and after the time of "loss".

5. Earth Movement

- a. Earthquake, including tremors and aftershocks, and any earth sinking, rising, or shifting related to such event;
- b. Landslide, including any earth sinking, rising, or shifting related to such event;
- c. Mine subsidence, meaning subsidence of a man-made mine, whether or not mining activity has ceased; or
- d. Earth sinking (other than "sinkhole collapse"), rising, or shifting including soil conditions which cause settling, cracking, or other disarrangement of foundations, or other parts of realty. Soil conditions include contraction, expansion, freezing, thawing, erosion, improperly compacted soil, and the action of water under the ground surface.

This exclusion applies regardless of whether any of the above, in Paragraphs **5.a.** through **5.d.**, is caused by an act of nature or is otherwise caused.

But if Earth Movement, as described in **5.a.** through **5.d.** above, results in fire, explosion, sprinkler leakage, volcanic action, or building glass breakage, we will pay for the "loss" or damage caused by such perils.

Volcanic action means direct "loss" resulting from the eruption of a volcano when the "loss" or damage is caused by:

- a. Airborne volcanic blast or airborne shock waves;
- b. Ash, dust, or particulate matter; or
- c. Lava flow.

All volcanic eruptions that occur within any 168-hour period will constitute a single occurrence.

This does not include the cost to remove ash, dust, or particulate matter that does not cause direct "loss" to the covered property.

This exclusion does not apply to property being transported.

6. Water

- a. Flood, surface water, waves (including tidal water and tsunami), tides, tidal wave, overflow of any body of water, or spray from any of these, all whether or not driven by wind (including storm surge);
- b. Mudslide or mudflow;
- c. By water or sewage which backs up through sewers or drains or which enters into and overflows or is otherwise discharged from a sewer, drain, sump pump, sump pump well, or any other system designed to remove subsurface water which is drained from the foundation area;
- d. Water under the ground surface pressing on, flowing, or seeping through:
 - 1) Foundations, walls, floors, or paved surfaces;
 - 2) Sidewalks or driveways;
 - 3) Basements, whether paved or not; or
 - 4) Doors, windows, or other openings.
- e. Water from a broken water main. However, this exclusion does not apply to water flowing or seeping from a broken water main where the break occurs on the premises described in the "Declarations".
- f. Waterborne material carried or otherwise moved by any of the water referred to in Paragraphs **6.a.**, **6.c.**, **6.d.**, or **6.e.** or material carried or otherwise moved by mudslide or mudflow.

This exclusion applies regardless of whether any of the above, in Paragraphs **6.a.** through **6.f.**, is caused by an act of nature or is otherwise caused. An example of a situation to which this exclusion applies is the situation where a dam levee, seawall, or other boundary or containment system fails in whole or in part, for any reason, to contain the water.

But if Water, as described in 6.a. through 6.f. results in fire, explosion, sprinkler leakage, volcanic action, or building glass breakage, we will pay for the "loss" or damage caused by such perils.

If electrical "covered equipment" requires drying out because of any of the above in Paragraphs 6.a. through 6.c., we will pay for the direct expenses of such drying out subject to the applicable Amount of Insurance and deductible for **Section I – Buildings – Coverage 1 and Business Personal Property and Personal Property of Others – Coverage 2.**

This exclusion does not apply to property being transported.

7. War

- c. Insurrection, rebellion, revolution, usurped power, or action taken by governmental authority in hindering or defending against any of these.

With respect to any action that comes within the terms of this exclusion and involves nuclear reaction or radiation, or radioactive contamination, this War exclusion supersedes Paragraph A.9. of **Section III – Exclusions**, the nuclear hazard exclusion.

8. Seizure or destruction of covered property by order of governmental authority, except as provided in **Income Protection – Coverage 3 – C. Additional Coverages.**

We will also cover "loss" caused by acts of destruction ordered by governmental authority to prevent the spread of a fire.

9. Nuclear reaction or radiation or radioactive contamination unless fire ensues, and then only for ensuing "loss".
10. By the enforcement of or compliance with any law or ordinance regulating the construction, use, or repair of any property, or requiring the tearing down of any property, including the cost of removing its debris, except as provided in **Section VI – B. Extensions of Coverage – Building Ordinance or Law Coverage and Debris Removal.**
11. The failure of power, communication, water, or other utility service supplied to the premises described in the "Declarations", however caused, if the failure:

- a. Originates away from the premises described in the "Declarations"; or
- b. Originates at the premises described in the "Declarations", but only if such failure involves equipment used to supply the utility service to the premises described in the "Declarations" from a source away from the premises described in the "Declarations";

Failure of any utility service includes lack of sufficient capacity and reduction in supply.

Communication services include but are not limited to service relating to internet access or access to any electronic, cellular, or satellite network. "Loss" or damage caused by a surge of power is also excluded, if the surge would not have occurred but for an event causing a failure of power.

This exclusion does not apply:

- a. To the extent that coverage is provided in **Section IV – Additional Coverages – D. Equipment Breakdown Coverage, 2.h. Refrigerated Property and/or 2.i. Temperature Change; Section VI – Extensions of Coverage – A.4. Refrigerated Property and/or A.5. Temperature Change; and/or, Section VI – B.14. Income Protection – Off-Premises Utility Properties Failure; or**
- b. To the extent a covered "loss" ensues, but then only for ensuing "loss".

12. Loss Due To By-Products of Production or Processing Operations

- a. By or resulting from smoke, vapor, gas, or any substance released in the course of operations or processing operations performed at the premises described in the "Declarations".

This exclusion applies regardless of whether such operations are:

- 1) Legally permitted or prohibited;
- 2) Permitted or prohibited under the terms of the lease; or
- 3) Usual to the intended occupancy of the premises.

This exclusion does not apply to "loss" or damage caused by fire or explosion resulting from the release of a by-product of the production or processing operation.

- b. The conduct of a tenant's production or processing operations will not be considered to be vandalism of the rental premises regardless of whether such operations are:
 - 1) Legally permitted or prohibited;

- 2) Permitted or prohibited under the terms of the lease; or
- 3) Usual to the intended occupancy of the premises.

Section III – Exclusions A.5. through A.12. apply whether or not the "loss" event results in widespread damage or affects a substantial area.

13. Cyber Event

Any "cyber event" including:

- a. Unauthorized access to or use of any computer system (including electronic data).
- b. "Malicious code", electronic vandalism, magnetic injury, virus, harmful code, or similar instruction introduced into or enacted on a computer system (including "electronic data") or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation.
- c. Denial of service attack which disrupts, prevents, or restricts access to our use of any computer system, or otherwise disrupts its normal functioning or operation.

But if a "cyber event" as described above results in a fire or explosion, we will pay for the "loss" or damage caused such perils.

This exclusion does not apply to the extent that coverage is provided under **Section IV – Additional Coverages – C. Electronic Data Processing Equipment and Electronic Data Coverage** and **Section IV – Additional Coverages – D. Equipment Breakdown Coverage**.

B. Coverages 1, 2, and 3

We do not cover under **Building(s) – Coverage 1, Business Personal Property and Personal Property of Others – Coverage 2, and Income Protection – Coverage 3** "loss" or damage caused:

- 1. By:

- i. Settling, cracking, shrinking, bulging or expansion of pavements, foundations, walls, floors, roofs, or ceilings;
- j. Nesting or infestation, or discharge, or release of waste products or secretions, by insects, birds (except glass breakage), rodents, or other animals; or
- k. Mechanical breakdown, including rupture or bursting caused by centrifugal force (except as provided in **Section IV – Additional Coverages – D. Equipment Breakdown Coverage**).

unless a covered "loss" including "accident" or "electronic circuitry impairment" ensues, and then only for ensuing "loss".

- 2. By discharge, dispersal, seepage, migration, release, or escape of "pollutants" unless the discharge, dispersal, seepage, migration, release, or escape is itself caused by a peril insured against. But if "loss" or damage by a peril insured against results from the discharge, dispersal, seepage, migration, release, or escape of "pollutants", we will pay for the resulting damage caused by the peril insured against.
- 3. By mysterious disappearance, unexplained "loss", or inventory shortage. We will accept inventory records as a means of proving the amount of a covered "loss".
- 4. By the presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot, or bacteria.

But, if "fungus", wet or dry rot, or bacteria results in a covered "loss" from a peril insured against, we will pay for the "loss" or damage caused by that peril insured against.

This exclusion does not apply:

- a. When "fungus", wet or dry rot, or bacteria results from fire or lightning; or
- b. To the extent that coverage is provided in **Section IV – Additional Coverages – B. Limited Coverage For "Fungus", Wet Rot, Dry Rot, and Bacteria**, with respect to "loss" or damage caused by a peril insured against other than fire or lightning.

- 6. By freezing due to temperature reduction to plumbing, heating, air conditioning, or other equipment or appliances (except fire protective systems) or by water, other liquids, powder, or molten material that leaks or flows from such items while the described building is vacant for more than sixty (60)

consecutive days, unless you have exercised reasonable care to:

- a. Maintain heat in the building; or
- b. Shut off the water supply and drain the system or appliance of water.

We will pay the cost to tear out and replace any part of the building described in the "Declarations" to repair damage to the system or appliance from which the water, other liquids, powder, or molten material escapes.

We will not pay for the cost to repair or replace any defect in the system or appliance that caused the "loss" or damage.

7. By collapse, including any of the following conditions of the property or any part of the property:
 - a. An abrupt falling down or caving in;
 - b. Loss of structural integrity, including separation of parts of the property or property in danger of falling down or caving in; or
 - c. Any cracking, bulging, sagging, bending, leaning, settling, shrinkage, or expansion as such condition relates to a. or b. above.

But if collapse results in a peril insured against at the premises described in the "Declarations", we will pay for the "loss" or damage caused by the peril insured against.

Section III – Exclusion B.7. does not apply:

- a. To the extent that coverage is provided in **Section IV – Additional Coverages – A. Collapse**; or
- b. To collapse caused by one or more of the following:
 - 1) Fire; lightning; windstorm; hail; explosion; smoke; aircraft; vehicles; riot; civil commotion; vandalism or malicious mischief; breakage of building glass; falling objects; weight of snow, ice, or sleet; "sinkhole collapse"; or volcanic action;
 - 2) Water damage resulting from the accidental discharge or leakage of water or steam as the direct result of the breaking apart or cracking of any part of plumbing, heating, air conditioning, or other equipment or appliances, but does not include damage from a sump pump, sump pump well, or any other system designed to remove subsurface water which is drained from the foundation areas;
 - 3) Breakage of building glass;

- 4) Weight of rain that collects on a roof; or
- 5) Weight of people or personal property.

8. By explosion of, including resulting damage to, steam boilers, steam pipes, steam turbines, or steam engines if owned by, leased by, or operated under your control (except as provided in **Section IV – Additional Coverages – D. Equipment Breakdown Coverage**). We also do not cover damage to these caused by any condition or occurrence within the boilers, pipes, turbines, or engines (except as provided in **Section IV – Additional Coverages – D. Equipment Breakdown Coverage**). We will pay for "loss" from the explosion of gases or fuel within the combustion chamber, flues, or passages of any fired vessel. We will also pay for "loss" by ensuing fire or explosion not included in this paragraph.
9. To hot water boilers or other water heating equipment, caused by a condition or occurrence within the boilers or equipment, other than an explosion (except as provided in **Section IV – Additional Coverages – D. Equipment Breakdown Coverage**).
10. By artificially generated electrical current including electric arcing (except as provided in **Section IV – Additional Coverages – D. Equipment Breakdown Coverage**), unless fire or explosion ensues, and then only for ensuing "loss".
11. To the interior of the building or the contents by rain, snow, sand, or dust, whether driven by wind or not, unless the exterior of the building first sustains damage to its roof or walls by a peril insured against. We will pay for "loss" caused by or resulting from the thawing of snow, sleet, or ice on the building.
12. To outdoor radio or television antennas (including satellite dishes) and its lead-in wiring, masts, or towers by windstorm or hail.
13. By dishonest or criminal acts (including theft) committed by you, or any of your members of a limited liability company, or any of your employees (including temporary or leased employees), directors, officers, trustees, or authorized representatives:
 - a. Acting alone or in collusion with other persons; or
 - b. While performing services for you or otherwise.We will cover acts of destruction by your employees (including temporary or leased employees) but only for ensuing "loss", but there is no coverage for "loss" or damage:
 - a. By theft by your employees (including temporary or leased employees) or any person to whom you entrust property for any purpose, whether acting alone or in collusion with any other party; or

- b. Caused by or resulting from manipulation, including the introduction or enactment of any virus, harmful code, or similar instruction, of a computer system (including "electronic data") by your employees.

We will cover "loss" caused by dishonest acts by carriers or other bailees for hire.

- 14. From any defect, programming error, programming limitation, computer virus, "malicious code", loss of "electronic data", loss of access, loss of use, loss of functionality, or other condition within or involving "electronic data" or "media" of any kind, except as provided in **Section IV – Additional Coverages – C. Electronic Data Processing Equipment – Computer Virus, Electronic Data – Expenses for Reproduction or Replacement, and Income Protection – Computer Operations.**
- 15. This exclusion applies to any effect that compromises the form, substance, or quality of the product. But if such error or omission results in a "loss" by a peril insured against, we will pay for the "loss" or damage caused by that peril insured against.
- 16. By or resulting from any virus, bacterium, or other microorganism that induces or is capable of inducing physical distress, illness, or disease.

6. Increase of "loss" resulting from ordinance or law regulating the prevention, control, repair, clean-up, or restoration of environmental damage.
7. Income Protection specifically insured in whole or in part by this or any other insurance.

SECTION IV – ADDITIONAL COVERAGES

A. Collapse

The coverage provided under this **Additional Coverage – Collapse** applies only to an abrupt collapse as described and limited in **A.1.** through **A.7.** below:

1. For the purpose of this **Additional Coverage – Collapse**, abrupt collapse means an abrupt falling down or caving in of a building or any part of a building with the result that the building or part of the building cannot be occupied for its intended purpose.
2. We will pay for direct physical "loss" or damage to covered property, caused by abrupt collapse of a building or any part of a building that is insured under this Coverage Part or that contains covered property insured under this Coverage Part, if such collapse is caused by one or more of the following:
 - a. Building decay that is hidden from view, unless the presence of such decay is known to an insured prior to collapse;

- b. Insect or vermin damage that is hidden from view, unless the presence of such damage is known to an insured prior to collapse;
- c. Use of defective material or methods in construction, remodeling, or renovation if the abrupt collapse occurs during the course of construction, remodeling, or renovation; or
- d. Use of defective material or methods in construction, remodeling, or renovation if the abrupt collapse occurs after the course of the construction, remodeling, or renovation is complete, but only if the collapse is caused in part by:
 - 1) A cause of "loss" listed in **2.a.** and **2.b.** above;
 - 2) Fire; lightning; windstorm; hail; explosion; smoke; aircraft; vehicles; riot; civil commotion; vandalism or malicious mischief; breakage of building glass; falling objects; weight of snow, ice, or sleet; "sinkhole collapse"; or volcanic action;
 - 3) Water damage resulting from the accidental discharge or leakage of water or steam as the direct result of the breaking apart or cracking of any part of plumbing, heating, air conditioning, or other equipment or appliances, but does not include damage from a sump pump, sump pump well, or any other system designed to remove subsurface water which is drained from the foundation areas;
 - 4) Breakage of building glass;
 - 5) Weight of rain that collects on a roof; or
 - 6) Weight of people or personal property.

3. We will pay up to \$20,000 for expenses involved in replacing, stabilizing, refilling, or rebuilding the land necessary to support the building described in the "Declarations" damaged by "sinkhole collapse". This payment of \$20,000 is an additional Amount of Insurance and will increase the total Amount of Insurance available.
4. This **Additional Coverage – Collapse** does not apply to:
 - a. A building or any part of a building that is in danger of falling down or caving in;
 - b. A part of a building that is standing, even if it has separated from another part of the building; or
 - c. A building that is standing or any part of a building that is standing, even if it shows evidence of

cracking, bulging, sagging, bending, leaning, settling, shrinkage, or expansion.

5. With respect to the following property:
 - a. Outdoor radio or television antennas (including satellite dishes) and its lead-in wiring, masts, or towers;
 - b. Awnings, gutters, and downspouts;
 - c. Yard fixtures;
 - d. Outdoor swimming pools;
 - e. Fences;
 - f. Piers, wharves, and docks;
 - g. Beach or diving platforms or appurtenances;
 - h. Retaining walls; and
 - i. Walks, roadways, and other paved surfaces;

if an abrupt collapse is caused by a cause of "loss" listed in 2.a. through 2.d. above, we will pay for "loss" or damage to that property listed in 5.a. through 5.i. above only if:

- a. Such "loss" or damage is a direct result of the abrupt collapse of a building insured under this Coverage Part; and
 - b. The property is covered property under this Coverage Part.
6. If Business Personal Property and Personal Property of Others falls down or caves in and such collapse is not the result of an abrupt collapse of a building, we will pay for "loss" or damage to covered property caused by such collapse of Business Personal Property and Personal Property of Others only if:
 - a. The collapse of Business Personal Property and Personal Property of Others was caused by a cause of "loss" listed in 2.a. through 2.d. above;
 - b. The Business Personal Property and Personal Property of Others which collapsed was inside a building; and
 - c. The property which collapsed was not of a kind listed in 5.a. through 5.i. above, regardless of whether that kind of property is considered to be business personal property or real property.

The coverage stated in this Paragraph 6. does not apply to Business Personal Property and Personal Property of Others if marring and/or scratching is the only damage to that Business Personal Property and Personal Property of Others caused by the collapse.

7. This **Additional Coverage – Collapse** does not apply to Business Personal Property and Personal Property of Others that has not abruptly fallen down

or caved in, even if the Business Personal Property and Personal Property of Others shows evidence of cracking, bulging, sagging, bending, leaning, settling, shrinkage, or expansion.

8. This **Additional Coverage – Collapse** will not increase the Amount of Insurance provided in this Coverage Part, except as provided in **Section IV – Additional Coverage – Collapse**, paragraph A. 3.
9. The term peril insured against includes the **Additional Coverage – Collapse** as described and limited in A.1. through A.7. above.

B. Limited Coverage for "Fungus", Wet Rot, Dry Rot, and Bacteria

1. The coverage described in Paragraphs 2. through 6. below only applies when the "fungus", wet or dry rot, or bacteria is the result of a peril insured against, other than fire and lightning, that occurs during the policy period and only if all reasonable means were used to save and preserve the property from further damage at the time of and after that occurrence.
2. We will pay for "loss" or damage by "fungus", wet or dry rot, or bacteria. As used in this Limited Coverage, the term "loss" or damage means:
 - a. Direct physical "loss" or damage to covered property caused by "fungus", wet or dry rot, or bacteria, including the cost of removal of the "fungus", wet or dry rot, or bacteria;
 - b. The cost to tear out and replace any part of the building or other property as needed to gain access to the "fungus", wet or dry rot, or bacteria; and
 - c. The cost of testing performed before, during, or after removal, repair, replacement, or restoration of the damaged property is completed, provided there is a reason to believe that "fungus", wet or dry rot, or bacteria are present.
3. The coverage described in Paragraph 2. above of this Limited Coverage is limited to \$25,000. Regardless of the number of claims, this Amount of Insurance is the most we will pay for the total of all "loss" or damage arising out of all occurrences caused by a peril insured against, other than fire and lightning, which takes place in a twelve (12) month period (starting with the beginning of the present annual policy period). With respect to a particular occurrence of "loss" which results in "fungus", wet or dry rot, or bacteria, we will not pay more than a total of \$25,000 even if the "fungus", wet or dry rot, or bacteria continues to be present, active, or recurs, in a later policy period.
4. The coverage provided under this Limited Coverage does not increase the applicable Amount of

Insurance on any covered property. If a particular occurrence results in "loss" or damage by "fungus", wet or dry rot, or bacteria, and other "loss" or damage, we will not pay more, for the total of all "loss" or damage, than the applicable Amount of Insurance on the affected covered property.

If there is covered "loss" or damage to covered property, not caused by "fungus", wet or dry rot, or bacteria, our loss payment will not be limited by the terms of this Limited Coverage, except to the extent that "fungus", wet or dry rot, or bacteria causes an increase in the "loss". Any such increase in the "loss" will be subject to the terms of this Limited Coverage.

5. The terms of this Limited Coverage do not increase or reduce the coverage provided under **Section III – Exclusions B.4. Coverages 1, 2, and 3** or under **Section IV – Additional Coverages – A. Collapse**.
6. The following Paragraphs **6.a.** and **6.b.** apply only if the "interruption of business" satisfies all terms and conditions of **Income Protection – Coverage 3**:
 - a. If the covered "loss" which resulted in "fungus", wet or dry rot, or bacteria does not itself necessitate an "interruption of business", but such "interruption of business" is necessary due to "loss" or damage to covered property caused by "fungus", wet or dry rot, or bacteria, then we will pay the actual loss of "income" or "rental income" sustained by you in a period of not more than thirty (30) days. The days need not be consecutive.
 - b. If the "interruption of business" was caused by "loss" or damage other than "fungus", wet or dry rot, or bacteria but remediation of "fungus", wet or dry rot, or bacteria prolongs the "interruption of business", we will pay the actual loss of "income" and/or "rental income" sustained by you during the delay (regardless of when such a delay occurs during the "interruption of business") in a period of not more than thirty (30) days. The days need not be consecutive.
7. The coverage described under Paragraph **6.a.** and **6.b.** above of this Limited Coverage is limited to \$25,000. Regardless of the number of claims, this Amount of Insurance is the most we will pay for the total of all loss of "income" and/or "rental income" arising out of your "interruption of business" in a twelve (12) month period (starting with the beginning of the present annual policy period). With respects to a particular occurrence of loss which results in "fungus", wet or dry rot, or bacteria, we will not pay more than a total of \$25,000 for loss of "income" and/or "rental income" even if the "fungus", wet or dry rot, or bacteria continues to be present, active, or

recurs in a later policy period resulting in an "interruption of business".

8. This coverage does not apply to lawns, trees, shrubs, or plants which are part of a vegetated roof.

C. **Electronic Data Processing Equipment and Electronic Data Coverage**

Payments under this **Electronic Data Processing Equipment – Computer Virus, Electronic Data – Expenses for Reproduction or Replacement, and Income Protection – Computer Operations** are an additional Amount of Insurance and will increase the total Amount of Insurance available for the coverage involved.

1. **Electronic Data Processing Equipment – Computer Virus**

We will cover "loss" or damage to "electronic data processing equipment" caused by magnetic injury or computer virus. We will pay up to \$15,000 for any one "loss" to "electronic data processing equipment".

We do not cover:

- a. "Electronic data processing equipment" which the insured rents or leases to others while it is away from the premises described in the "Declarations".
- b. "Loss" caused by processing operations or "loss" that occurred while the insured property is being worked on unless fire or explosion ensue, and then only for "loss", damage, or expense caused by the ensuing fire or explosion.

"Electronic data processing equipment" means computers, terminals, teleprinters, readers, telephone systems, computerized cash registers, word processing equipment, and equipment and parts related to the processing unit.

"Electronic data processing equipment" does not include computer operated or controlled production or processing machinery or equipment or a separate computer or computerized control panels used to operate the production or processing machinery or equipment.

The property deductible applies.

2. **Electronic Data – Expenses for Reproduction or Replacement**

We will cover the expenses incurred to reproduce or replace your "electronic data" when destruction or corruption is caused by a peril insured against including "loss" by theft. This includes your "electronic data" that is destroyed or corrupted by magnetic injury, virus, harmful code, or similar instruction introduced into or enacted on a computer system (including "electronic data") or a network to which

it is connected, designed to damage or destroy any part of the system or disrupts its normal operation.

Coverage is limited to "electronic data" which is owned by you or licensed or leased to you, originates and resides in your computers.

This additional Amount of Insurance does not apply to "electronic data" which is integrated in and operates or controls the building's elevator, lighting, heating, ventilation, air conditioning, or security systems.

"Loss" or damage to "electronic data" will be valued at the cost of reproduction or replacement including the cost of data entry, re-programming, and computer consultation services. But we will not pay the cost to duplicate research that led to the development of your "electronic data".

To the extent that "electronic data" is not reproduced or replaced, the "loss" will be valued at the cost of replacement of the "media" on which "electronic data" was stored, with blank "media" of a substantially identical type.

The most we will pay for the expenses incurred in the reproduction or replacement of your "electronic data" is \$25,000.

The property deductible applies.

3. **Income Protection – Computer Operations**

- a. **Income Protection – Coverage 3** is extended to cover your loss of "income" you sustain due to partial or total "interruption of business" resulting directly from an interruption in your computer operations due to your "electronic data" being destroyed or corrupted by a peril insured against including loss by theft. This includes your loss of "income" resulting from your "electronic data" that is destroyed or corrupted by magnetic injury, virus, harmful code, or similar instruction introduced into or enacted on a computer system (including "electronic data") or a network to which it is connected, designed to damage or destroy any part of the system or disrupt its normal operation.
- b. The most we will pay for your loss of "income" due to "interruption of business" resulting from an interruption to your computer operations in any one policy year, regardless of the number of interruptions or the number of premises, locations, or computer systems involved is \$25,000. If the loss payment relating to the first interruption does not exhaust this Amount of Insurance, then the balance is available for loss or expense sustained or incurred as a result of subsequent interruptions during that policy year. With respect to any interruption which begins in one

policy year and continues or results in additional loss or expense in a subsequent policy year(s), all loss and expense is deemed to be sustained or incurred in the policy year in which the interruption began.

- c. This **Income Protection – Coverage 3** does not apply to loss sustained or expense incurred after the end of the period of restoration even if the \$25,000 Amount of Insurance has not been exhausted.
- d. Coverage for **Income Protection – Coverage 3** does not apply when "interruption of business" is due to damage or corruption of "electronic data", or any loss to "electronic data", except as provided under Paragraphs a. through c. above of this **Income Protection – Computer Operations**.

No deductible applies to **Income Protection – Coverage 3**.

4. **Exclusions – Electronic Data – Expenses for Reproduction or Replacement and Income Protection – Computer Operations**

We do not cover under **Electronic Data – Expenses for Reproduction or Replacement and Income Protection – Computer Operations**:

- a. "Media" and "electronic data" which cannot be replaced with the same kind or quality.
- b. Program support documentation such as flow charts, record formats, or narrative descriptions unless they are converted to "electronic data" form and then only in that form.
- c. "Loss" caused by errors or omissions or deficiency in design, specifications, materials, or workmanship, unless fire or explosion ensues, and then only for "loss", damage, or expense caused by the ensuing fire or explosion.
- d. "Loss" caused by errors or omissions in programming or processing operations or "loss" that occurred while the insured property is being worked on unless fire or explosion ensues, and then only for "loss", damage, or expense caused by the ensuing fire or explosion.
- e. "Loss" or damage caused by or resulting from manipulation, including the introduction or enactment of any virus, harmful code, or similar instruction of a computer system (including "electronic data") by any employee (including a temporary or leased employee), or by an entity retained by you, or for you, to inspect, design, install, modify, maintain, repair, or replace that system.

D. Equipment Breakdown Coverage

The term Covered Cause of Loss in **Section II – Perils Insured Against** includes the **Additional Coverage – Equipment Breakdown Coverage** as described and limited below. Without an "accident" or "electronic circuitry impairment", there is no Equipment Breakdown Coverage. This **Section IV – Additional Coverages – Equipment Breakdown Coverage** is subject to the policy deductible shown in the "Declarations".

1. We will pay for direct physical damage to covered property that is the direct result of an "accident" or "electronic circuitry impairment". We will consider "electronic circuitry impairment" to be physical damage to "covered equipment".

2. The following coverages also apply to the direct result of an "accident" or "electronic circuitry impairment". These coverages do not provide an additional Amount of Insurance.

a. Ammonia Contamination

If covered property is contaminated by ammonia as a result of an "accident" or "electronic circuitry impairment", we will pay up to \$25,000 including salvage expense for any one "loss".

b. Electronic Data Restoration

1) We will pay for your reasonable and necessary cost to research, replace, and restore lost "electronic data".

2) We will pay up to \$50,000 for loss or expense under this coverage, including actual loss of "income" and/or "rental income" you sustain and necessary "extra expense" you incur.

c. Expediting Expenses

With respect to your damaged covered property, we will pay up to \$25,000 for the reasonable extra cost to:

- 1) Make temporary repairs; and
- 2) Expedite permanent repairs or permanent replacement.

d. Future Loss Avoidance

1) This coverage only applies if you have received payment under this Equipment Breakdown Coverage for an "accident" or "electronic circuitry impairment" that occurred at a premises shown in the "Declarations".

2) We will pay your costs to purchase and install Protective Equipment at the location of the loss as follows:

a) Electrical surge protection or single phase Protective Equipment; or

b) Other Protective Equipment if we agree that such equipment would reasonably reduce the likelihood of a future "accident" or "electronic circuitry impairment" similar to the one for which you have received payment from us. We will not unreasonably withhold such agreement.

3) As used in this coverage, Protective Equipment means a permanently installed physical device with the principal function of safeguarding one or more pieces of "covered equipment" from a physical damage.

4) We must receive your invoices for any purchase and installation costs no later than 180 days after the date you receive the payment for the loss from us.

5) With respect to any "one equipment breakdown", the most we will pay is the lesser of the following:

a) 10% of our Eligible Payment to you prior to any payment under this Future Loss Avoidance coverage; or

b) \$10,000.

6) As used in this coverage, Eligible Payment means our total payment to you not including the following:

a) Any deductible or coinsurance amount; or

b) Any payment made after this policy has been cancelled or non-renewed.

e. Hazardous Substances

1) We will pay your additional cost to repair or replace covered property because of contamination by a "hazardous substance". This includes the additional expenses to clean up or dispose of such property. As used in this coverage, additional costs mean those beyond what would have been payable under this Equipment Breakdown Coverage had no "hazardous substance" been involved.

2) This coverage does not apply to testing, clean up, or disposal of land, water, or any other property that is not covered property.

3) This does not include contamination of covered property by refrigerant, including but not limited to ammonia, which is addressed in Paragraph 2.a. above. As used in

this coverage, additional costs mean those beyond what would have been payable under this coverage had no "hazardous substance" been involved.

- 4) We will pay up to \$25,000 for "loss", damage, or expense under this coverage, including actual loss of "income" and/or "rental income" you sustain and necessary "extra expense" you incur.

f. Mobile Robots

- 1) We will pay for physical damage to covered property from an "accident" or "electronic circuitry impairment" when the "covered equipment" is a "mobile robot".
- 2) The most we will pay under this Mobile Robots coverage is \$50,000. This amount includes Electronic Data Restoration, and the actual loss of "income" and/or "rental income" you sustain, necessary "extra expense" you incur.

g. Off-Premises Equipment Breakdown

- 1) We will pay for physical damage to transportable "covered equipment" that, at the time of the "accident" or "electronic circuitry impairment" is not at a covered location.
- 2) We will also pay for your reasonable and necessary cost to research, replace, and restore lost "electronic data" contained within portable "covered equipment" as described under Paragraph 1) above. This amount may not exceed the Amount of Insurance applicable to Electronic Data Restoration.
- 3) With respect to this Off-Premises Equipment Breakdown coverage only, the "accident" or "electronic circuitry impairment" may occur anywhere in the world except within any country on which the United States has imposed sanctions, embargoes, or similar restrictions on the provision of insurance.
- 4) The most we will pay under this Off-Premises Equipment Breakdown coverage is \$25,000. Our payment under this coverage includes:
 - a) The actual loss of "income" and/or "rental income" you sustain and necessary "extra expense" you incur; and
 - b) Electronic Data Restoration as described in 2) above.

h. Off-Premises Utility Properties Failure

- 1) Any insurance provided for Income Protection, Extra Expense, and Electronic Data Restoration as described in Paragraph 2.b. above or Refrigerated Property as described in Paragraph 2.l. below is extended to apply to your "loss", damage, or expense caused by a failure or disruption of service to the premises described in the "Declarations". The failure or disruption of service must be caused by an "accident" or "electronic circuitry impairment" to equipment, including overhead transmission lines, that is owned by a utility, landlord, a landlord's utility or other supplier who provides you with any of the following services: electrical power, waste disposal, air conditioning, refrigeration, heating, natural gas, compressed air, water, steam, internet access, telecommunications services, "cloud or outsourced computing services", wide area networks, or data transmission. The equipment must meet the definition of "covered equipment" except that it is not covered property.
- 2) "Cloud or outsourced computing services" must be provided by a professional provider with whom you have a contract. With respect to this Off-Premises Utility Properties Failure coverage only, the "accident" or "electronic circuitry impairment" to the equipment of a provider of "cloud or outsourced computing services" may occur anywhere in the world except within any country on which the United States has imposed sanctions, embargoes, or similar restrictions on the provision of insurance.
- 3) With respect to the Electronic Data Restoration portion of this Off-Premises Utility Properties Failure coverage, coverage will also apply to "electronic data" stored in the equipment of a provider of "cloud or outsourced computing services".
- 4) Off-Premises Utility Properties Failure coverage will not apply unless the failure or disruption of service exceeds twenty-four (24) hours immediately following the "accident" or "electronic circuitry impairment". If the interruption exceeds twenty-four (24) hours, coverage will begin at the time of the disruption, and the applicable deductible will apply.
- 5) The most we will pay in any "one equipment breakdown" for "loss", damage, or expense under this coverage is the applicable Amount of Insurance for Electronic Data

Restoration as described in Paragraph 2.b. above or Refrigerated Property as described in Paragraph 2.h. below. The most we will pay in any "one equipment breakdown" for loss of "income" and/or "rental income" you sustain and "extra expense" you incur under **Section 1 – Income Protection – Coverage 3** is \$25,000.

- 1) This coverage only applies if you have sustained an actual loss of "income" covered under this **Section IV – Additional Coverages – Equipment Breakdown Coverage**.
- 2) We will pay for your reasonable costs for professional services to create and disseminate communications, when the need for such communications arises directly from the interruption of your business. This communication must be directed to one or more of the following:
 - i. The media or other news organizations;
 - ii. The public; or
 - iii. Your customers, clients, or members.
- 3) Such costs must be incurred during the period of restoration or up to thirty (30) days after the period of restoration has ended.
- 4) We will pay up to \$25,000 for loss or expense for this coverage.

j. Resultant Damage to Animals

- 1) Any insurance provided for "animals" is extended to this **Section IV – Additional Coverages – Equipment Breakdown Coverage**.
- 2) The most we will pay under this Resultant Damage to Animals coverage is \$25,000. This amount includes the actual loss of "income" and/or "rental income" and necessary "extra expense" you incur.

k. Resultant Loss from a Cyber Event

All coverages under this Equipment Breakdown Coverage are extended to an "accident" or "electronic circuitry impairment" caused by or resulting from a "cyber event".

l. Refrigerated Property

Section I – Business Personal Property and Personal Property of Others – Coverage 2 covers "loss" to the contents of refrigeration equipment on the premises described in the "Declarations".

m. Temperature Change

Section I – Business Personal Property and Personal Property of Others – Coverage 2 covers "loss" resulting from temperature or humidity change.

3. Equipment Breakdown Coverage Exclusions

a. For purposes of coverage under **Section IV – Additional Coverages – Equipment Breakdown Coverage**, the exclusions in **Section III – Exclusions** apply, except, for the purposes of this coverage only, the following exclusions in **Section III – Exclusions** are modified as follows:

1) We will not pay for "loss", damage, or expense caused directly or indirectly by any of the following, whether or not caused by or resulting from an "accident" or "electronic circuitry impairment":

a) Earth Movement

- i. Earthquake, including tremors and aftershocks, and any earth sinking, rising, or shifting related to such event;
- ii. Landslide, including any earth sinking, rising, or shifting related to such event;
- iii. Mine subsidence, meaning subsidence of a man-made mine, whether or not mining activity has ceased; or
- iv. Earth sinking (other than "sink-hole collapse"), rising, or shifting including soil conditions which cause settling, cracking, or other disarrangement of foundations, or other parts of realty. Soil conditions include contraction, expansion, freezing, thawing, erosion, improperly compacted soil, and the action of water under the ground surface.

This exclusion applies regardless of whether any of the above, in Paragraphs a)i. through a)iv. is caused by an act of nature or is otherwise caused.

b) Water

- i. Flood, surface water, waves (including tidal water and tsunami), tides, tidal wave, overflow of any body of water, or spray from any

of these, all whether or not driven by wind (including storm surge);

- ii. Mudslide or mudflow;
- iii. By water or sewage which backs up through sewers or drains or which enters into and overflows or is otherwise discharged from a sewer, drain, sump pump, sump pump well, or any other system designed to remove subsurface water which is drained from the foundation area;
- iv. Water under the ground surface pressing on, flowing, or seeping through:
 - i) Foundations, walls, floors, or paved surfaces;
 - ii) Sidewalks or driveways;
 - iii) Basements, whether paved or not; or
 - iv) Doors, windows, or other openings.
- v. Water from a broken water main. However, this exclusion does not apply to water flowing or seeping from a broken water main where the break occurs on the premises described in the "Declarations".
- vi. Waterborne material carried or otherwise moved by any of the water referred to in Paragraphs **b)i.**, **b)iii.**, **b)iv.**, or **b)v.** or material carried or otherwise moved by mudslide or mudflow.

This exclusion applies regardless of whether any of the above, in Paragraphs **b)i.** through **b)vi.**, is caused by an act of nature or is otherwise caused. An example of a situation to which this exclusion applies is the situation where a dam levee, seawall, or other boundary or containment system fails in whole or in part, for any reason, to contain the water.

If electrical "covered equipment" requires drying out because of any of the above in Paragraphs **b)i.** through **b)iii.**, we will pay for the amount you actually expend to dry out such equipment, subject to the applicable Amount of Insurance and deductible for Section I – Buildings – Coverage 1 and Business

Personal Property and Personal Property of Others – Coverage 2, whichever applies. We will not pay more than the actual cash value, as described in **Section VIII – Commercial Property Conditions** and the **ErieSecure Business General Policy Conditions**, of the affected electrical "covered equipment". We will not pay to replace such equipment or for any other "loss", damage, or expense.

- c) Any "cyber event", except as specifically provided in **D.2.k. Resultant Loss from a Cyber Event**.
- d) Freeze by cold weather; and
- e) Discharge of molten material from equipment, including the heat from such discharged material.

- 2) We will not pay for an "accident" or "electronic circuitry impairment" caused by or resulting from collapse.

This does not apply if:

- a) The collapse occurs away from any covered premises and causes an electrical surge or other electrical disturbance;
- b) Such surge or disturbance is transmitted through utility service transmission lines to the covered location and results in an "accident" or "electronic circuitry impairment"; and
- c) The "loss", damage, or expense caused by such surge or disturbance is not covered elsewhere under the policy.

- 3) We will not pay for "loss", damage, or expense caused, directly or indirectly, by the following, whether or not caused by or resulting from an "accident" or "electronic circuitry impairment": Any mold, fungus, mildew, or yeast, including any spores or toxins created or produced by or emanating from such mold, fungus, mildew, or yeast. This includes, but is not limited to, costs arising from clean-up, remediation, containment, removal or abatement of such mold, fungus, mildew, yeast, spores, or toxins.

- b. The following exclusions are added, but only for purposes of coverage under this **Section IV – Additional Coverages – Equipment Breakdown Coverage**:

- 1) We will not pay for "loss", damage, or expense caused directly or indirectly by any of the following, whether or not caused by or resulting from an "accident" or "electronic circuitry impairment":
 - a) Fire, including smoke from a fire.
 - b) Explosion of gas or unconsumed fuel within the furnace of any boiler or fired vessel or within the passages from that furnace to the atmosphere.
 - c) Any other explosion, except as specifically covered under this **Section IV – Additional Coverages – Equipment Breakdown Coverage**.
 - d) Vandalism, meaning a malicious act that causes damage or destruction. However, this exclusion does not apply to a "cyber event".
- 2) We will not pay for "loss", damage, or expense caused, directly or indirectly, by any condition or event listed in a) through e) below, without regard to whether such condition or event is normal and expected or unusual or unexpected. However, if a condition or event that is listed in a) through e) below results in an "accident" or "electronic circuitry impairment" and no other exclusion applies, we will pay only for the "loss", damage, or expense that is a direct result of and solely attributable to the "accident" or "electronic circuitry impairment".
 - a) Any defect, error, or shortcoming in design or installation;
 - b) Any undercapacity, underperformance, failure to perform as expected, or failure to perform as designed;
 - c) Any defect, programming error, programming limitation, loss of "electronic data", loss of access, loss of use, loss of functionality, or other condition within or involving "electronic data" or "media" of any kind;
 - d) Contamination by a "hazardous substance";
 - e) Any condition, including, but not limited to, misalignment, miscalibration, or tripping offline, which can be corrected by:
 - i. Resetting, tightening, adjusting, or cleaning;
 - ii. Normal maintenance, including but not limited to replacing expendable parts, recharging batteries, or cleaning;
 - iii. Rebooting, reloading, or updating software or firmware; or
 - iv. Providing necessary power or supply.
- 3) We will not pay for an "accident" or "electronic circuitry impairment" caused by or resulting from:
 - a) Lightning;
 - b) Windstorm or hail. However, this exclusion does not apply when:
 - i. "Covered equipment" located within a building or structure suffers an "accident" or "electronic circuitry impairment" that results from wind-blown rain, snow, sand, or dust; and
 - ii. The building or structure did not first sustain wind or hail damage to its roof or walls through which the rain, snow, sand, or dust entered.

 - ii. "Loss" or damage to property located within a structure or building, unless a falling object first damages the roof or exterior wall of the structure or building.
 - g) A hydrostatic, pneumatic, or gas pressure test of any boiler or pressure vessel, or an electrical insulation breakdown test of any type of electrical equipment;
 - h) An electrical breakdown test of any type of electrical equipment; or

- i) Any means, whether or not successful, intended to extinguish a fire. This includes, but is not limited to, the spraying of water.
 - j) Exclusions 3)a) through 3)f) do not apply if:
 - i. The excluded cause of "loss" occurs away from any covered premises and causes an electrical surge or other electrical disturbance;
 - ii. Such surge or disturbance is transmitted through utility service transmission lines to the covered location and results in an "accident" or "electronic circuitry impairment"; and
 - iii. The "loss", damage, or expense caused by such surge or disturbance is not covered elsewhere under the policy.
- 4) Except as specifically provided under **D.2.b. Electronic Data Restoration** or **D.2.j. Resultant Damage to Animals**, we will not pay for damage, "loss", or expense caused directly or indirectly by the following, whether or not caused by or resulting from an "accident" or "electronic circuitry impairment":

 - b) Loss, interruption, or compromise of any research, test, or study involving "animals"; or
 - c) Loss of income or extra expense resulting from 1) or 2) above.
- 5) We will not pay for loss or damage to any of the following, whether or not caused by an "accident" or "electronic circuitry impairment":
- a) Catalysts or molecular sieves;
 - b) Artifacts, fossils, relics, or any rare items of cultural, historical, or scientific interest; or
 - c) Biological samples or materials, including, but not limited to, organs, tissues, or blood.

4. Equipment Breakdown Coverage Conditions

- a. The following conditions are in addition to the conditions in **Section VIII – Commercial Property Conditions** and the **ErieSecure Business General Policy Conditions**:

1) **JURISDICTIONAL INSPECTION**

If any property that is "covered equipment" under this **Section IV – Additional Coverages – Equipment Breakdown Coverage** requires inspection to comply with state or municipal boiler and pressure vessel regulations, we agree to perform such inspection on your behalf. We do not warrant that conditions are safe or healthful.

2) **SUSPENSION**

Whenever "covered equipment" is found to be in, or exposure to, a dangerous condition, any of our representatives may immediately suspend the insurance against "loss" from an "accident" or "electronic circuitry impairment" to that "covered equipment". This can be done by delivering or mailing a written notice of suspension to:

- a) Your last known address; or
- b) The address where the "covered equipment" is located.

Once suspended in this way, your insurance can be reinstated only by an endorsement for that "covered equipment". If we suspend your insurance, you will get a pro rata refund of premium for that "covered equipment" for the period of suspension. But the suspension will be effective even if we have not yet made or offered a refund.

- b. As respects this **Section IV – Additional Coverages – Equipment Breakdown Coverage** only, **Section VIII – Commercial Property Conditions – VALUATION** is deleted and replaced by the following:

VALUATION

We will determine the value of covered property as follows:

- 1) Except as specified otherwise, our payment for damaged covered property will be the smallest of:
 - a) The cost to repair the damaged property;
 - b) The cost to replace the damaged property on the same site; or
 - c) The amount you actually spend that is necessary to repair or replace the damaged property.
- 2) The amount of our payment will be based on the most cost effective means to replace the function, capacity, and remaining useful

life of the damaged property. This may include the use of generic, used, or reconditioned parts, equipment, or property. This will not include costs to research or correct defects, errors, or shortcomings in the design or installation of the covered property.

- 3) Except as described in Paragraph 4) below, you must pay the extra cost of replacing damaged property with property of a better kind or quality or of a different size or capacity.

4) **ENVIRONMENTAL, SAFETY, AND EFFICIENCY IMPROVEMENTS**

If "covered equipment" requires replacement due to an "accident" or "electronic circuitry impairment", we will pay your additional cost to replace with equipment that is better for the environment, safer for people, or more energy or water efficient than the equipment being replaced. However, we will not pay to increase the size or capacity of the equipment, and we will not pay more than 150% of what the cost would have been to replace with like kind and quality. This provision does not apply to any property to which actual cash value, as described in **Section VIII – Commercial Property Conditions – Valuation – Actual Cash Value**, applies and does not increase any of the applicable limits.

5) **CONSEQUENTIAL LOSS TO UN-DAMAGED STOCK**

Our payment for damaged covered property will include compensation for undamaged "stock" that loses market value or requires additional expense because of the damage to the covered property.

- 6) The following property will be valued on an actual cash value basis, as described in **Section VIII – Commercial Property Conditions** and the **ErieSecure Business General Policy Conditions**:

- a) Any property that does not currently serve a useful or necessary function for you; and
- b) Any covered property that you do not repair or replace within twenty-four (24) months after the date of the "accident" or "electronic circuitry impairment".

- 7) If any one of the following conditions is met, property held for sale by you will be valued at the sales price as if no "loss" or

damage had occurred, less any discounts and expenses that otherwise would have applied:

- a) The property was manufactured by you;
- b) The sales price of the property is less than the replacement cost of the property; or
- c) You are unable to replace the property before its anticipated sale.

- 8) Except as specifically provided for under Electronic Data Restoration coverage, "electronic data" and "media" will be valued on the following basis:

- a) For mass-produced and commercially available software, at the replacement cost.
- b) For all other "electronic data" and "media", at the cost of blank "media" for reproducing the records. We will not pay for "electronic data" representing financial records based on the face value of such records.

5. **Equipment Breakdown Coverage Limits of Insurance**

Any payment under this Equipment Breakdown Coverage will not be increased if multiple insureds are shown in the "Declarations" or if you are comprised of more than one legal entity.

- a. The most we will pay for "loss", damage, or expense under this Section IV – Additional Coverages – Equipment Breakdown Coverage arising from any "one equipment breakdown" is the applicable Amount of Insurance shown in the "Declarations" for **Section I – Buildings – Coverage 1, Business Personal Property and Personal Property of Others – Coverage 2, and Income Protection – Coverage 3**.
- b. "Loss" arising from any "one equipment breakdown" may continue to be present or recur in a later policy period. In such a case, the most we will pay for all "loss", damage, or expense arising out of any "one equipment breakdown" is the coverage limit at the time of the "accident" or "electronic circuitry impairment".
- c. If two or more coverage limits apply to the same "loss" or portion of a "loss", we will pay only the smallest of the applicable limits for that loss or portion of that "loss".

Coverage provided under this Section IV – Additional Coverages – Equipment Breakdown

Coverage does not provide an additional Amount of Insurance.

6. Equipment Breakdown Coverage Definitions

The following definitions are added to **Section IX – Definitions**, but only with respect to **Section IV – Additional Coverages – Equipment Breakdown Coverage**:

SECTION VI – EXTENSIONS OF COVERAGE

A. Extensions of Coverage

We will pay the following "losses" at your option. Payments under these Extensions of Coverage are not an additional Amount of Insurance and will not increase the total Amount of Insurance available for the coverage involved.

1. **Fences, Walks, Unattached Outbuildings, Tennis Courts, and Inground Swimming Pools – Section I – Building(s) – Coverage 1**. We will cover "loss" to fences, walks, unattached outbuildings, tennis courts, and inground swimming pools on the premises described in the "Declarations" caused by a peril insured against. We will pay up to 10% of the **Building(s) – Coverage 1** Amount of Insurance but not to exceed \$25,000 for any one "loss". Unattached outbuildings include garages, storage areas, and tool sheds but do not include those buildings used for dwelling purposes or in connection with manufacturing, servicing, or farming operations.

If specific insurance is carried on any item covered by this extension, then this extension does not apply to that item.

The property deductible applies to this extension.

3. **Refrigerated Property**. **Section I – Business Personal Property and Personal Property of Others – Coverage 2** covers "loss" to the contents of refrigeration equipment on the premises described in the "Declarations" from power failure. This extension of coverage applies to each building described in the "Declarations".

The property deductible applies to this extension.

B. Extensions of Coverage

Except as specified otherwise, payments under the following Extensions of Coverage are an additional Amount of Insurance and will increase the total Amount of Insurance available for the coverage involved.

1. **Accounts Receivable.** This policy covers damage to records of accounts receivable up to \$25,000 for any one "loss" caused by a peril insured against. It covers:

2. The building sustains:

- a. Direct physical damage caused by a peril insured against under this policy and such damage results in enforcement of or compliance with the ordinance or law; or

but if the building sustains direct physical damage that is caused by a peril not insured against under this policy and such damage is the subject of the ordinance or law, then there is no coverage even if the building has also sustained direct physical damage caused by a peril insured against.

This extension of coverage applies to each building described in the "Declarations".

The property deductible applies to this extension.

B. Coverage for the Value of the Undamaged Part of the Building

1. Coverage Agreement

2. Loss Payment – Value of the Undamaged Part of the Building

We will pay for the value of the undamaged portion of the building as a result of any ordinance or law regulating the construction, use, or repair of building(s) as follows:

- a. We will pay the smallest of the following if the covered building is not repaired or rebuilt:
 - 1) The actual cash value of the undamaged part of the building;

 - 5) The difference between the Amount of Insurance on the insured building at the time of "loss" or damage and the amount paid for "loss" to the damaged or destroyed portion of the insured building.

C. Coverage for Increased Cost of Construction

1. Coverage Agreement

If the building(s) or tenant's improvements and betterments sustain direct physical damage caused by a peril insured against, we will pay up to \$25,000 for the increased cost to:

- a. Repair, replace, or reconstruct the damaged portions of the building or tenant's improvements and betterments; or
- b. Reconstruct or remodel undamaged portions of the building or tenant's

improvements and betterments whether or not demolition is required;

that is caused by enforcement of or compliance with any ordinance or law regulating the construction, use, or repair of building(s). If the building(s) is repaired or replaced, it must be intended for the same use as the current building, unless otherwise required by an ordinance or law. We will not pay for the increased cost of construction if the building is not repaired, replaced, or remodeled.

When a building(s) described in the "Declarations" or tenant's improvements and betterments as described under Business Personal Property and Personal Property of Others at the premises described in the "Declarations" is damaged or destroyed and increased cost of construction applies to that building in accordance with C.1.a. above, coverage for the increased cost of construction also applies to repairs or reconstruction of the following, subject to the same conditions stated in C.1.a.:

2. Loss Payment – Income Protection

We will pay up to the Amount of Insurance shown in the "Declarations" for **Income Protection – Coverage 3** for the premises described in the "Declarations".

No deductible applies.

We will not pay for "loss" due to any ordinance or law that:

1. You were required to comply with before the "loss", even if the building was undamaged; and
2. You failed to comply with the ordinance or law.

We will not pay any costs associated with the enforcement of or compliance with an ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify, or neutralize, or in any way respond to or assess the effects of "pollutants", "fungus", wet or dry rot, or bacteria.

Also, we will not pay any costs associated with the enforcement of or compliance with an ordinance or law which requires the demolition, repair, replacement, reconstruction, remodeling, or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread, or any activity of "fungus", wet or dry rot, or bacteria.

We will not pay under this extension of coverage for any "loss" in value or any cost incurred due to an ordinance or law that you were required to comply with before the time of the current "loss", even in the absence of building damage, if you failed to comply.

- a. Acting alone or in collusion with other persons; or
- b. While performing services for you or otherwise.

We will not pay for any "loss" arising from forgery or alteration of a credit or debit card if you have not complied fully with the provisions, conditions, or other terms under which the card was issued.

All "losses" committed by any person, whether acting alone or in collusion with others, are considered one occurrence which is subject to the \$5,000 Amount of Insurance.

If you are sued for refusing to pay any covered instrument on the basis that it has been forged or altered and you have our written consent to defend against the suit, we will also pay for any reasonable legal expense that you incur and pay in that defense. The amount we will pay is in addition to the Amount of Insurance applicable to this extension. The deductible does not apply to legal expenses.

You must include with your proof of loss any instrument involved in that "loss", or, if that is not possible, an affidavit setting forth the amount and cause of loss.

However, coverage for "income" and/or "rental income" for "dependent properties" does not apply when the only "loss" to "dependent properties" is "loss" or damage to "electronic data", including destruction or corruption of "electronic data". If the "dependent property" sustains "loss" or damage to "electronic data" and other property, this coverage will not continue once the other property is repaired, rebuilt, or replaced.

We will reduce the amount of your "income" or "rental income" loss, other than "extra expense", to the extent you can resume normal operations by using an available:

The deductible for this extension of coverage is \$100.

- 7. **Debris Removal.** We will pay the cost of removal of debris to covered property on the premises described in the "Declarations" caused by a peril insured against. This does not apply to any increase of "loss" resulting from ordinances or laws regulating construction or repair of buildings. We will pay up to 5% of the total Amount of Insurance for Coverages 1 and 2 plus \$25,000 for debris removal expense.

This extension does not cover the cost to:

This extension of coverage applies to each building described in the "Declarations".

- 8. **Employee Dishonesty.** We will pay up to \$10,000 for loss to "money", "securities", or written

instruments required in conjunction with any credit or debit card issued to you or any employee for business purposes or Business Personal Property and Personal Property of Others resulting from dishonest acts committed by any of your "employees", whether identified or not, acting alone or in collusion with other persons (except you or your partner(s)) with the intent to:

- a. Cause you to sustain loss; and
- b. Obtain financial benefit (other than salaries, commissions, fees, bonuses, promotions, awards, profit sharing, pensions, or other employee benefits earned in the normal course of employment) for:
 - 1) Any "employee"; or
 - 2) Any other person or organization.

- g. If you sustained a loss during the period of any prior insurance that you could have recovered

under your prior insurance, except that the time to discover the loss had expired, we will pay the loss under this extension of coverage, provided:

- 1) This policy became effective at the time of cancellation or termination of your prior insurance; and
- 2) The loss would have been covered by this insurance had it been in effect when the act or events causing the loss were committed or occurred.

We will pay up to the Amount of Insurance for Employee Dishonesty or the Amount of Insurance under your prior insurance, whichever is less.

The loss under this part g. is not an additional amount of insurance and will not increase the total Amount of Insurance for Employee Dishonesty.

We do not cover:

- a. Loss caused by any dishonest or criminal act committed by you, or any of your members of a limited liability company, or any of your partners, whether acting alone or in collusion with other persons;
- b. Loss or that part of any loss, the proof of which as to its existence or amount is dependent upon:

Value of any loss for this coverage only shall be determined as follows:

Loss of "money" will be valued only up to and including its face value. We will, at your option, pay for loss of "money" issued by any country other than the United States of America:

However, specific individuals may qualify as "affected individuals" for another reason, such as being an employee of yours.

This definition is subject to the following provisions:

1. At the time of the "loss", theft, accidental release, or accidental publication, the "personally identifying information" must be in your direct care, custody, or control.
2. "Personal data breach" includes disposal or abandonment of "personally identifying information" without

appropriate safeguards such as shredding or destruction, subject to the following provisions:

- a. Your failure to use appropriate safeguards must be accidental and not reckless or deliberate; and

3. "Personal data breach" includes situations where there is a reasonable cause to suspect that such "personally identifying information" has been lost, stolen, accidentally released, or accidentally published, even if there is no firm proof.

All "personal data breach(es)" that are discovered at the same time or arise from the same cause will be considered one "personal data breach".

SECTION VII – WHEN AND WHERE THIS POLICY APPLIES

A. When

This policy applies to "loss(es)" that occurs during the policy period. Unless otherwise specified in the "Declarations", "Renewal Certificate", "Amended Declarations", "Revised Declarations", or endorsement, the policy period begins and ends at 12:01 AM Standard Time at the stated address of the Named Insured. An "Amended Declarations" or endorsement tells you that the policy has been changed. A "Renewal Certificate" tells you that the policy is being renewed for another policy period.

B. Where

This policy applies to "loss" of property in the United States, its territories and possessions, Puerto Rico, or Canada.

SECTION VIII – COMMERCIAL PROPERTY CONDITIONS

1. ABANDONMENT OF PROPERTY

We will not accept abandoned property.

2. APPRAISAL

If you or we fail to agree on the actual cash value or cost to repair or replace damage to covered property caused by a peril insured against, either party may make written demand for an appraisal. Each party will choose a competent, disinterested, and impartial appraiser and notify the other of the appraiser's identity within twenty (20) days after the demand is received. The appraisers will select a competent, disinterested, and impartial umpire. If the appraisers are unable to agree upon an umpire within fifteen (15) days after both appraisers have been identified, you or we can ask a judge of a court of record in the state where your principal office is located to select an umpire.

The appraisers will then determine the actual cash value or cost to repair or replace damage to covered property caused by a peril insured against. If the appraisers submit a written report of an agreement to us, the amount agreed upon will be the amount owed. If they cannot agree, they will submit their differences to the umpire. A written award by two will determine the amount of "loss".

Each party will pay the appraiser it chooses, and equally bear expenses for the umpire and all other expenses of the appraisal. However, if the written demand for

appraisal is made by us, we will pay for the reasonable cost of your appraiser and your share of the cost of the umpire.

We will not be held liable to have waived any rights by an act relating to the appraisal.

This is not an agreement to arbitrate. The appraisers and umpire are only authorized to determine actual cash value or the cost to repair or replace damaged property. The appraisers and umpire are not authorized to determine if a "loss" is covered or excluded under the policy.

3. COINSURANCE CLAUSE – COVERAGES 1 & 2

The coinsurance clause applies to each insured item for which a specific Amount of Insurance is shown in the "Declarations". (See percentage shown in the "Declarations").

We will pay that proportion of any "loss" that the Amount of Insurance bears to the amount produced by multiplying the coinsurance percentage by the replacement cost or actual cash value of such property at the time of "loss". We will pay the Amount of Insurance or the amount determined by coinsurance, whichever is less.

$$\text{Our Payment} = \frac{\text{Amount of Insurance}}{\text{amount required}} \times \text{"loss"}$$

"Amount required" means the coinsurance percentage multiplied by the replacement cost or actual cash value as shown in the "Declarations".

When applying the coinsurance clause, the cost of excavations and earthmoving, the value of parts of structures underground, and the Extensions of Coverage are not to be considered.

4. DIVISIBLE CONTRACT

The breach of a policy condition in one building or location will have no effect on the coverage of another building or location where no breach exists.

5. LIMITATION – ELECTRONIC MEDIA AND RECORDS

We will not pay for any loss of "income" and/or "rental income" caused by direct physical damage to electronic media and records after the longer of:

- a. Sixty (60) consecutive days after the date of physical "loss" or damage; or
- b. The period beginning with the date of direct physical "loss" or damage to repair, rebuild, or replace with reasonable speed and similar quality, other property at the insured premises due to "loss" caused by the same occurrence.

Electronic media and records mean:

- a. Electronic data processing, recording, or storage media such as films, tapes, discs, drums, or cells;

- b. Data stored on such media; or
- c. Programming records used for electronic data processing or electronically controlled equipment.

This limitation does not apply to "extra expense".

6. LOSS PAYMENT

We will adjust all "loss(es)" with you. We will pay you unless some other person is named in the policy or is legally entitled to receive payment.

"Loss" will be payable thirty (30) days after we receive your proof of loss if you have complied with all the terms of this coverage part and one of the following has been done:

- a. We have reached an agreement with you;
- b. There is an entry of final judgment; or
- c. There is a filing of an appraisal award on your behalf.

We have the option to:

- a. Pay the value of that part of the damaged property;
- b. Pay the cost to repair or replace that part of the damaged property, but this does not include the increased cost of construction due to enforcement of or compliance with any ordinance or law regulating the construction or repair of the damaged building;
- c. Take all or part of the damaged property at an agreed or appraised value; or
- d. Repair or replace that part of the damaged property with material of like kind and quality, but this does not include the increased cost of construction due to enforcement of or compliance with any ordinance or law regulating the construction or repair of the damaged building.

We will not pay more than the Amount of Insurance shown in the "Declarations" applicable to the damaged or destroyed property.

Pennsylvania Only:

We must give the insured notice of our intent to repair or replace within fifteen (15) working days after we receive your sworn proof of loss.

7. SPECIAL LOSS PAYMENT – BUILDING(S) – COVERAGE 1

Improvements and betterments made by others are subject to the following loss payment when damaged by a peril insured against:

- a. If you pay for repair or replacement, we will pay you the expenses involved not exceeding the replacement cost of damaged property;

- b. If repaired or replaced at the expense of others, there is no loss payable to you; or
- c. If the damaged property is not repaired or replaced by you or at the expense of others, there is no loss payable to you.

8. SPECIAL LOSS PAYMENT – BUSINESS PERSONAL PROPERTY AND PERSONAL PROPERTY OF OTHERS – COVERAGE 2

The following property is subject to the following loss payment when damaged by a peril insured against:

- a. Accounting Books, Records, Tapes, and Recording Media. We will pay you the cost of blank items (books, film, or other written documents). **Section VI – Extensions of Coverage – Valuable Papers and Records** provides for reproduction of these items.
- b. Improvements and betterments:
 - 1) If you pay for repair or replacement, we will pay you the expenses involved not exceeding the replacement cost of damaged property;
 - 2) If not repaired or replaced, we will pay you a proportion of your original cost. We will determine the proportionate value as follows:
 - a) Multiply the original cost by the number of days from the "loss" or damage to the expiration of the lease; and
 - b) Divide the amount determined in 1) above by the number of days from the installation of improvements to the expiration of the lease.

If the lease contains a renewal option, the expiration of the renewal option period will replace the expiration of the lease in this procedure; or
 - 3) If repaired or replaced at the expense of others, there is no loss payable to you.
- c. Sold Property. If you have sold property but not delivered it, we will pay you the net selling price.

9. MORTGAGEE

"Loss" shall be payable to mortgagees named in the "Declarations", to the extent of their interest and in the order of precedence.

Our Duties

We will:

- a. Protect the mortgagee's interest in an insured building. This protection will not be invalidated by any act or neglect of the insured, any breach of warranty, increase in hazard, change of ownership, or

foreclosure if the mortgagee has no knowledge of these conditions; and

- b. Give the mortgagee thirty (30) days notice before cancellation or refusal to renew this policy.

Mortgagee's Duties

The mortgagee will:

- a. Furnish proof of "loss" within sixty (60) days if you fail to do so;
- b. Pay upon demand any premium due if you fail to do so;
- c. Notify us of any change in ownership or occupancy or any increase in hazard of which the mortgagee has knowledge;
- d. Give us his or her right of recovery against any party liable for "loss". This shall not impair the right of the mortgagee to recover the full amount of the mortgage debt; and
- e. After a "loss", permit us to satisfy the mortgage requirements and receive full transfer of the mortgage and all "securities" held as collateral to the mortgage debt.

Policy conditions relating to **APPRAISAL, LOSS PAYMENT, and SUITS AGAINST US** apply to the mortgagee.

This mortgagee interest provision shall apply to any trustee or loss payee named in the "Declarations".

10. NO BENEFIT TO BAILEE

No bailee shall benefit, directly or indirectly, from this insurance.

11. OTHER INSURANCE

You may have other insurance subject to the same plan, terms, conditions, and provisions as insurance under this Coverage Part. If you do, we will pay our share of the covered "loss" or damage. Our share is the proportion that the applicable Amount of Insurance under this Coverage Part bears to the Amounts of Insurance of all insurance covering on the same basis.

If there is other insurance covering the same "loss" or damage, other than that described in the paragraph above, we will pay only for the amount of covered "loss" or damage in excess of the amount due from the other insurance, whether you can collect on it or not. But we will not pay more than the applicable Amount of Insurance.

12. PROPERTY OF OTHERS

If we are called upon to pay a "loss" for property of others, we reserve the right to adjust the "loss" with the owner. We will not pay the owner more than their financial interest in the covered property. If we pay the owner,

such payments will satisfy your claims against us for the owner's property.

In case of disagreement with the property owner, we will conduct the defense on your behalf at our expense.

13. PROTECTIVE SAFEGUARDS

You must maintain, as far as is within your control, any protective safeguards shown in the "Declarations". Failure to do so will suspend the coverage of this policy at the affected location. Coverage will not be suspended if you notify us immediately when the system is not in operation because of repairs or maintenance and you comply with our requests and directions at that time.

14. RECORDS

You must keep proper records so that we can accurately determine the amount of "loss".

15. RECOVERIES

If either you or we recover any property after settlement, that party must notify the other. Expenses of recovery will be deducted from the value of the property. The balance of the proceeds will be divided according to your and our interests.

At your option, the recovered property will be returned to you. You must then return to us the amount we paid to you for the property. We will pay the expenses of the recovery and the expenses to repair the recovered property, up to the applicable Amount of Insurance.

16. RESUMPTION OF YOUR BUSINESS

We will reduce the amount of your:

- a. Income protection loss, other than "extra expense", to the extent that you can resume your business, in whole or in part, by using damaged or undamaged property (including business personal property) at the premises described in the "Declarations" or elsewhere.
- b. "Extra expense" loss to the extent you can return your business to normal and discontinue such "extra expense".

17. SUITS AGAINST US

We may not be sued unless there is full compliance with all the terms of this policy. Suit must be brought within 2 years (Maryland and North Carolina – 3 years) after the "loss" occurs.

18. VACANCY AND UNOCCUPANCY

Property may be unoccupied without limit of time. If the building at which the "loss" occurs is vacant for more than sixty (60) consecutive days before the "loss", then we will:

- a. Not pay for any "loss" caused by:

- 1) Vandalism or malicious mischief, water damage, glass breakage, or theft; or
- 2) Sprinkler leakage unless you have exercised reasonable care to protect the system against freezing.

- b. Pay for other covered "losses", but we will reduce the amount of payment by 15%.

For a tenant operated business, the building means the unit or suite rented or leased to the tenant. Such building is vacant when it does not contain enough business personal property to conduct customary operations.

For the owner of the building, the building means the entire building. Such building is vacant unless at least 31% of its total square footage is:

- a. Rented to a lessee or sub-lessee and used by the lessee or sub-lessee to conduct its customary operations; and/or
- b. Used by the building owner to conduct customary operations.

Buildings under construction or renovation are not considered vacant or unoccupied.

19. VALUATION

We will determine the value of covered property in the event of "loss" or damage as follows:

a. Actual Cash Value:

If there is a covered "loss" to your **Building(s) Coverage 1 or Business Personal Property and Personal Property of Others – Coverage 2** and actual cash value is shown in the "Declarations", our payment will be on an actual cash value basis instead of on a replacement cost basis, thereby including a deduction for depreciation.

We will pay the smaller of the following:

- 1) The actual cash value of the damaged or destroyed property at the time of "loss"; or
- 2) The Amount of Insurance applicable to the damaged or destroyed property at the time of the "loss".

b. Replacement Cost Coverage:

If there is a covered "loss" to your **Building(s) – Coverage 1 or Business Personal Property and Personal Property of Others – Coverage 2** and replacement cost is shown in the "Declarations", our payment will be on a replacement cost basis, instead of an actual cash value basis. When you select replacement cost, the Coinsurance Clause shall apply as a percentage of the replacement cost rather than the actual cash value of the property. Payment will

not exceed the Amount of Insurance shown in the "Declarations".

We will not pay on a replacement cost basis for any "loss" or damage until:

- 1) Damaged or destroyed property is actually repaired or replaced; and
- 2) Repairs or replacement must be made as soon as practicable.

We will pay the smaller of the following for "loss" or damage to your building described in the "Declarations" on a replacement cost basis:

- 1) The amount of insurance applicable to the damaged or destroyed property;
- 2) The cost of replacement on the same premises with material of like kind and quality and intended for the same use; or
- 3) The amount actually spent in repairing or replacing the lost or damaged property.

We will not pay for "loss" on a replacement cost basis:

- 1) For increased cost due to enforcement of or compliance with any ordinance or law regulating the construction or repair of buildings; except as provided in **Section VI – Extensions of Coverage – Building Ordinance or Law**.
- 2) To "stock" (raw, in process, or finished) or merchandise including materials and supplies in connection therewith;
- 3) To household furniture or apartment and dwelling contents;
- 4) To manuscripts;
- 5) To paintings, etchings, pictures, tapestries, statuary, marbles, bronzes, antique furniture, rare books, antique silver, porcelains, rare glassware, bric-a-brac, or other articles of art, rarity, or antiquity; or
- 6) To obsolete property.

You may choose to accept payment on an actual cash value basis. If you do choose an actual cash value basis, you can still select a replacement cost basis within 6 months of the "loss" if the building(s) is replaced or repaired.

- c. For "stock" you have sold but not delivered at the selling price less discounts and expenses you otherwise would have had.
- d. Nothing if others pay for repairs or replacement.

In case of a covered "loss", you must perform the following duties:

- a. Give us or our Agent immediate notice. If a crime loss, also notify the police (except Virginia);
- b. Protect the property from further damage. If necessary for property protection, make reasonable repairs, and keep a record of all repair costs;
- c. Furnish a complete inventory of damaged property stating its original cost. At our request, furnish a complete inventory of undamaged property stating its original cost. If a "loss" is both less than \$10,000 and less than 5% of the Amount of Insurance, no special inventory and appraisal of the undamaged property shall be required;
- d. Produce for examination, with permission to copy, all books of accounts, bills, invoices, receipts, and other vouchers as we may reasonably require;
- e. Show us or our representative the damaged property, as often as may be reasonably required;
- f. Cooperate with us in our investigation of a "loss" and any suits;
- g. Separately submit to examinations under oath and sign a transcript of the same;
- h. Send us, within ninety (90) days after the "loss", your signed and sworn proof of loss statement which includes:
 - 1) Time and cause of "loss";
 - 2) Your interest in the property and the interest of all others involved;
 - 3) Any encumbrances on the property;
 - 4) Other policies which may cover the "loss";
 - 5) Any changes in title, use, occupancy, or possession of the property which occurred during the policy term;
 - 6) When required by us any plans, specifications, and estimates for the repair of the damaged building; and
 - 7) The inventory of damaged property as prepared in c. above;
- i. In addition to the other conditions under **Section I – Income Protection – Coverage 3**, make necessary replacements or repairs and use all available means to eliminate any unnecessary delay in order to resume operations as soon as possible;
- j. Agree to help us enforce any right of recovery against any party liable for "loss" under this policy. This will not apply if you have waived recovery rights in writing prior to a "loss".

SECTION VI – EXTENDED REPORTING PERIODS

1. We will provide one or more Extended Reporting Periods, as described below, if:
 - a. This Coverage Form is canceled or not renewed; or
 - b. We renew or replace this coverage with insurance that:
 - 1) Has a Retroactive Date later than the date shown in the Declarations of this Coverage Form; or
 - 2) Does not apply on a claims-made basis.
2. Extended Reporting Periods do not extend the policy period or change the scope of coverage provided. They apply only to "claims" that occur before the end of the policy period but not before the Retroactive Date, if any, shown in the Declarations. Once in effect, Extended Reporting Periods may not be canceled.
3. A Basic Extended Reporting Period is automatically provided without additional premium charge. This period starts with the end of the policy period and lasts for:
 - a. One year with respect to "claims" because of a "wrongful act" reported to us no later than sixty (60) days after the end of the policy period, in accordance with Paragraph 2.a. under **Section V – Directors and Officers Liability Coverage – Condominium or Homeowners Association – Conditions – Duties in the Event of Claim or Wrongful Act.**
 - b. Sixty (60) days with respect to "claims" arising from a "wrongful act" not previously reported to us.

The Basic Extended Reporting Period does not apply to "claims" that are covered under any subsequent insurance you purchase or that would be covered but for exhaustion of the amount of insurance applicable to such "claim".
4. The Basic Extended Reporting Period does not reinstate or increase the Limits of Insurance.
5. A Supplemental Extended Reporting Period of one, three, or five year durations are available, but only by an endorsement and for an extra premium charge. This supplemental period starts when the Basic Extended Reporting Period, set forth in Paragraph 3. above ends.

- 1) No Retroactive Date is shown in the Declarations for this Coverage Form; or
- 2) The other insurance has a policy period which continues after the Retroactive Date shown in the Declarations for this Coverage Form.

When this insurance is excess, we will have no duty to defend an insured against any "claim" if any other insurer has a duty to defend an insured against that "claim". If no other insurer defends, we will undertake to do so, but we will be entitled to an insured's rights against all those other insurers.

When this insurance is excess over any other insurance, we will pay only our share of the amount of the loss, if any, that is in excess of the sum of:

- 1) The total amount that all such other insurance would pay for the loss in the absence of this insurance; and
- 2) The total of all deductible and self-insured amounts under all that other insurance.

We will share the remaining loss, if any, with any other insurance that is not described in this Excess Insurance provision and was not bought specifically to apply in excess of the Limits of Insurance shown in the Declarations for this Coverage Form.

c. Method of Sharing

If all the insurance permits contribution by equal shares, we will follow this method also. Under this approach, each insurer contributes equal amounts until it has paid out its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable Limit of Insurance to the total applicable limits of insurance of all insurers.

d. Outside Directorship Liability

This insurance is excess over any other insurance, whether primary, excess, contingent, or on any other basis, available from or provided by the "outside organization" in which the insured serves in an "outside position". Payment under another policy as a result of a "claim" against an insured in an "outside position" shall reduce, by the amount of such payment, the Limits of Insurance under this Coverage Form with respect to such "claim".

By accepting this Coverage Form, you agree:

- a. The statements in the Declarations are accurate and complete;

- b. Those statements are based upon representations you made to us; and

- a. As if each insured were the only insured; and
- b. Separately to each insured against whom a "claim" is made.

7. Transfer of Rights of Recovery Against Others to Us

If an insured has the right to recover all or part of any payment we have made under this Coverage Form, those rights are transferred to us. An insured must do nothing after loss to impair them. At our request, an insured will bring a "claim" or transfer those rights to us and help us enforce them.

8. Two or More Coverage Forms or Policies Issued By Us

Notwithstanding the Other Insurance Condition in your policy, if this Coverage Form and any other coverage form or policy issued to you by us applies to the same "wrongful act" the maximum Limits of Insurance under all coverage forms or policies will not exceed the highest applicable Limits of Insurance under any one coverage form or policy.

In no event will coverage be provided during the policy period after:

- a. The applicable Aggregate Limits of Insurance under one coverage form or policy has been exhausted; or
- b. The applicable Aggregate Limits of Insurance under any one coverage form or policy would have been exhausted had all covered "claims" been submitted under that one coverage form or policy rather than under two or more coverage forms or policies.

This condition does not apply to any coverage form or policy issued by us specifically to apply as excess insurance over this policy.

9. When We Do Not Renew

If we decide not to renew this Coverage Form, we will mail to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than sixty (60) days before the expiration date.

Proof of mailing will be sufficient proof of notice.

10. Notice To You

SECTION IV – DEDUCTIBLE

1. Our obligation to pay damages on your behalf for each "claim" applies only to the amount of damages in excess of the deductible amount shown in the Declarations for this Coverage Form. The Limits of Insurance will not be reduced by the application of this deductible.
2. The terms of this Coverage Form, including those with respect to:
 - a. Our right and duty to defend any "claims" seeking those damages; and
 - b. Your duties, and the duties of any other involved insured, in the event of a "wrongful act" or "claim";apply irrespective of the application of the deductible amount.
3. We may pay any part or the entire deductible amount to effect settlement of any "claim" and, upon notification of the action taken, you shall promptly reimburse us for such part of the deductible amount as we have paid.

LEAD LIABILITY

If your policy includes liability coverage, your policy contains Lead Liability Exclusion Endorsement EPP3208, an exclusion involving lead contamination.

Any claims of bodily injury, personal injury, or property damage from lead contamination occurring during this policy period and future policy periods will not be covered. Your liability insurance does not cover any loss, cost, or expense arising from any requests or claims made by a governmental authority that you test for, remove, or in any way respond to the effects of lead.

It has become increasingly apparent in recent years that lead poisoning poses a serious threat to children. Studies have shown that even small doses of lead can cause severe poisoning, slowed development, altered behavior, and loss of intelligence. The lead hazard can be reduced by removing the lead from the premises using approved abatement methods.

Again, this policy contains a complete exclusion for liability resulting from lead. Therefore, we recommend you take action to identify and remove any lead hazards that may exist on your premises to protect yourself.

DO YOU USE SUBCONTRACTORS?

If you use subcontractors in your business, please read the following notice.

It is important to have and maintain Certificates of Insurance for all subcontractors. This will verify that each subcontractor is adequately insured and may protect your business from costly losses. If you do not have and maintain certificates from subcontractors, their costs will be added to the audited payroll of this policy according to the applicable general liability manual rules for uninsured subcontractors. These rules apply in all states where you operate. Uninsured subcontractors represent a significant increase to your general liability loss exposures and could impact your future insurability with ERIE.

When this liability policy was issued, the premium was based on estimated rating information for your operations. Payrolls were not estimated for subcontractors that you hired during the policy period. Therefore, you will be charged an additional premium for subcontractors who do not provide you with certificates of liability insurance, or those that do not have adequate general liability insurance limits. For a subcontractor, ERIE considers general liability insurance limits of at least \$1,000,000 to be adequate.

When your policy term expires, ERIE may audit your operations and review the subcontractors used during the policy term. The audit will ensure that you pay the appropriate premium for your exposure. As part of the audit process, we will ask you for copies of the Certificates of Insurance for each subcontractor that covers the time period the subcontractor performed work for you. Therefore, you may be required to submit more than one Certificate of Insurance for the same subcontractor. If you do not have the certificates, or cannot produce the certificates at the time of the audit, the subcontractor will be considered uninsured and a premium charge will be made.
